DEDICATION

Anthony J. Celebrezze feels that the purpose of a college education is to furnish the tools with which to pattern lives; he urges the students of today to learn how to use these tools skillfully for the brotherhood of man and has a high regard for educators who build strength of character in young people.

Mr. Celebrezze spent several "struggling and lean" years while earning his Bachelor of Laws degree here at Ohio Northern. In earning this degree, he scrubbed floors, washed windows, cooked, worked on the railroad, graded papers, handled freight, and did a number of other things to earn tuition and money to keep in school.

A member of the Theta Nu Epsilon group, now Alpha Sigma Phi, Mr. Celebrezze feels that "students will be building our nation during this atomic age. Obligations and responsibilities are imposed upon them in this highly technical world. They must carry on the traditions that make America what it is today." While at Northern, he was cited for having been a serious, hard-working, able, and conscientious student.

Nominated on July 14, 1962, by President Kennedy for the cabinet position of Secretary of Health, Education, and Welfare, it is with pleasure that we, the staff of the 1963 *Northern*, dedicate this Annual to Mr. Anthony J. Celebrezze.

THE SECRETARY OF HEALTH, EDUCATION, AND WELFARE
WASHINGTON

I consider it a privilege to be numbered among Ohio Northern alumni and am honored and deeply grateful for the dedication of the 1963 edition of "The Northern."

Ohio Northern, in company with other great universities, is in the forefront of the search for truth and shares a major responsibility for passing on from one generation to another the heritage of freedom.

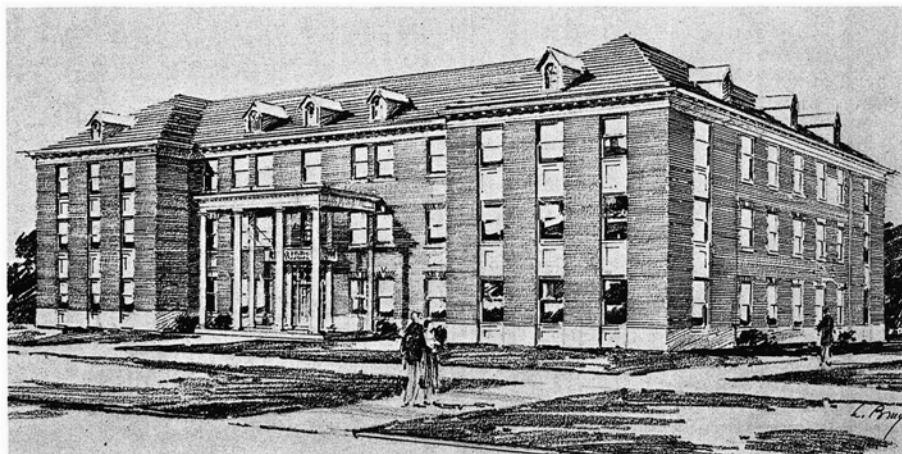

Our institutions of higher education are centers of strength upon which the nation depends heavily for both teaching and research as mankind's horizons expand. I am sure that Ohio Northern will continue to fulfill this role with distinction.

May I convey my warmest greetings and best wishes to the faculty, students, and fellow alumni of Ohio Northern University.

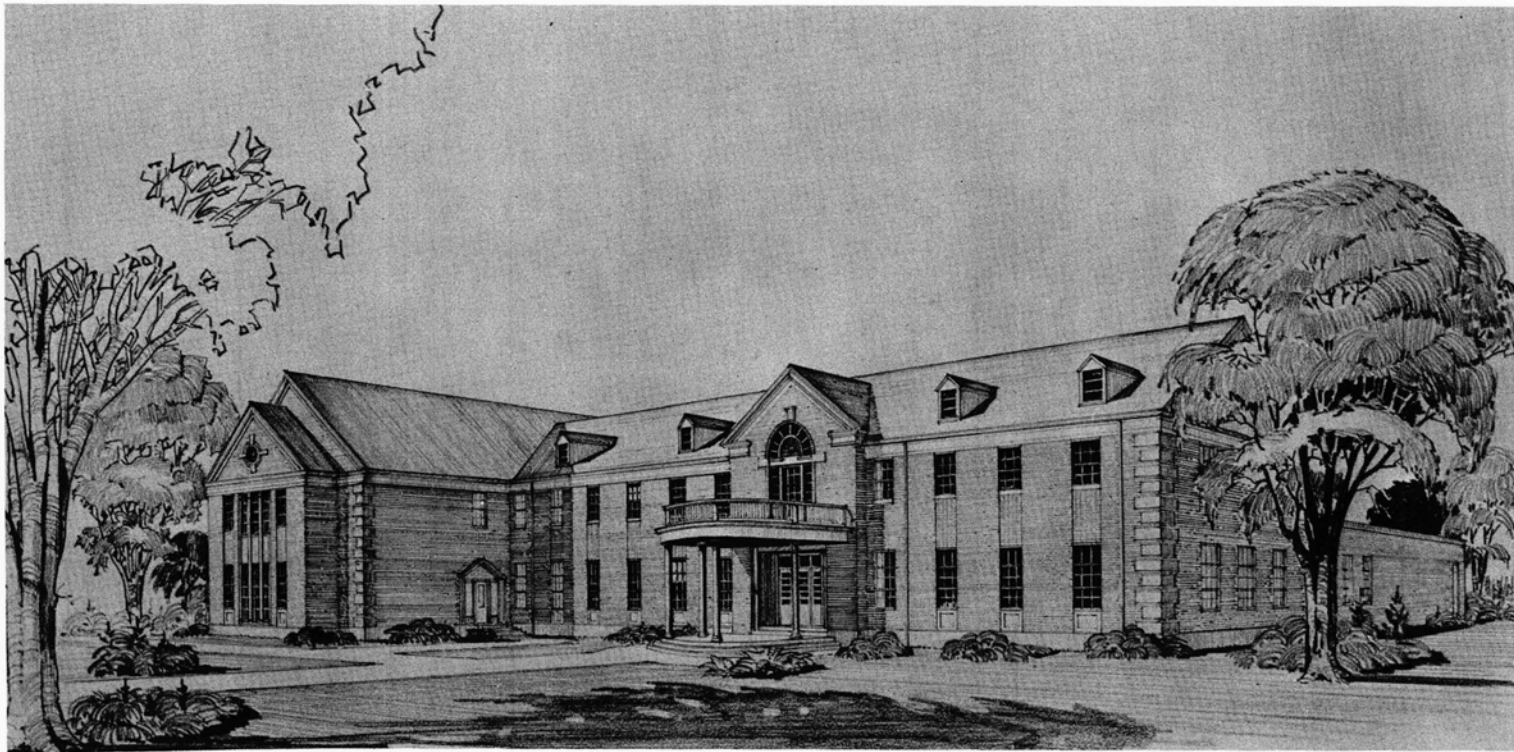

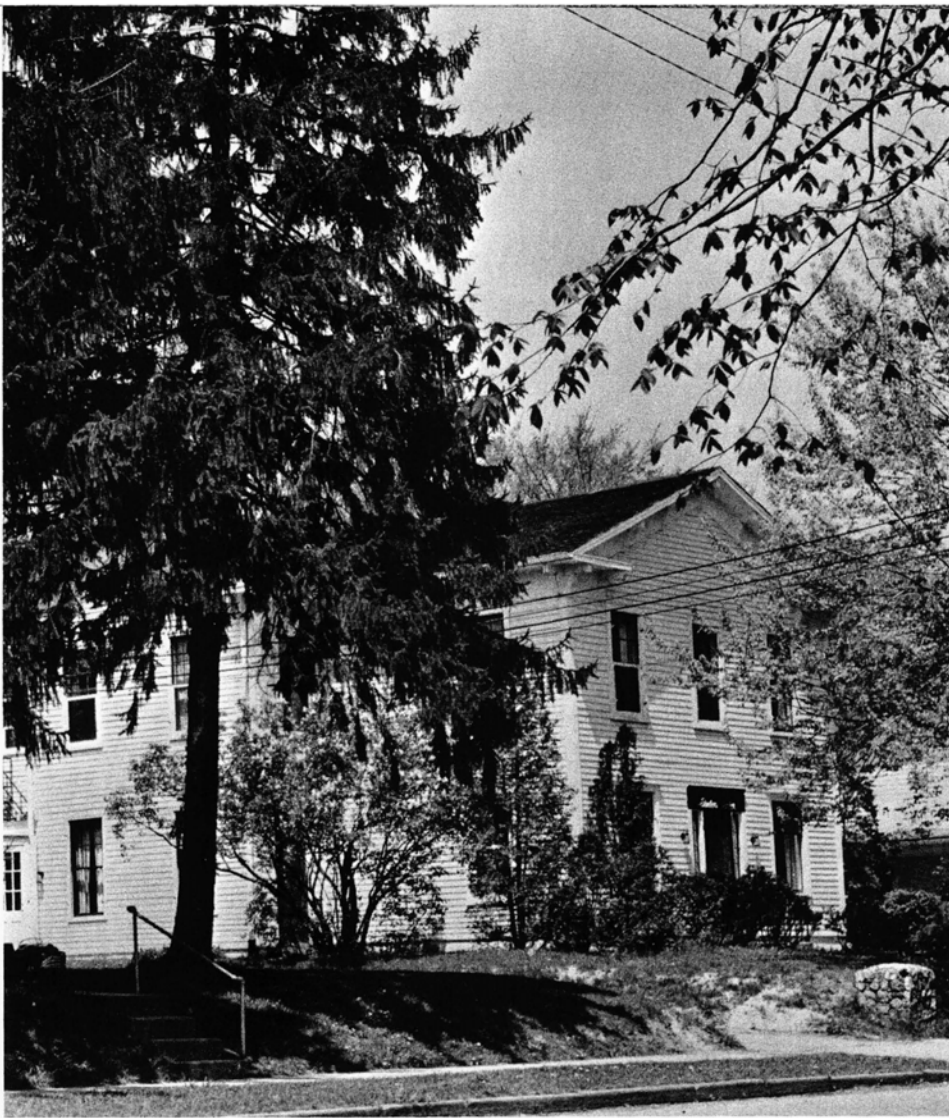

Anthony J. Celebrezze

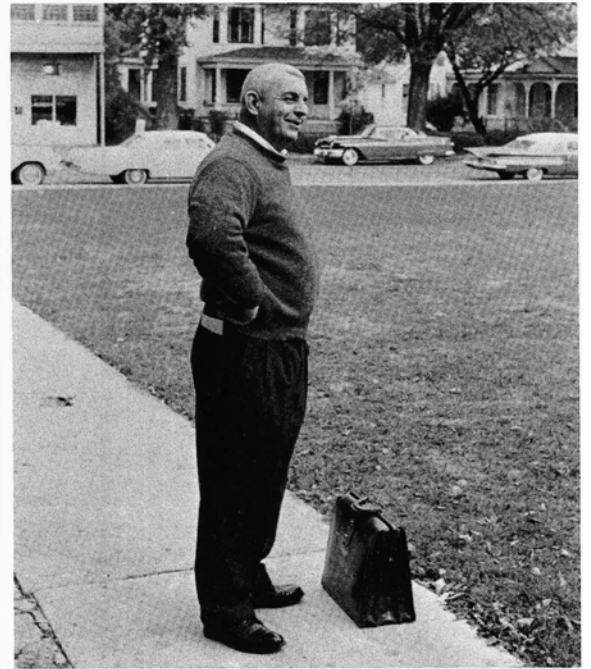

In the past twenty years, Ohio Northern University has constantly been growing. The two architects' drawings on these pages symbolize a physical growth; however, there is also a moral and spiritual growth that cannot be measured by bricks and mortar.

Proposed Pharmacy Building

Proposed Student Union

Classes and extra-curricular activities make up a major part of campus life for students, both young and old.

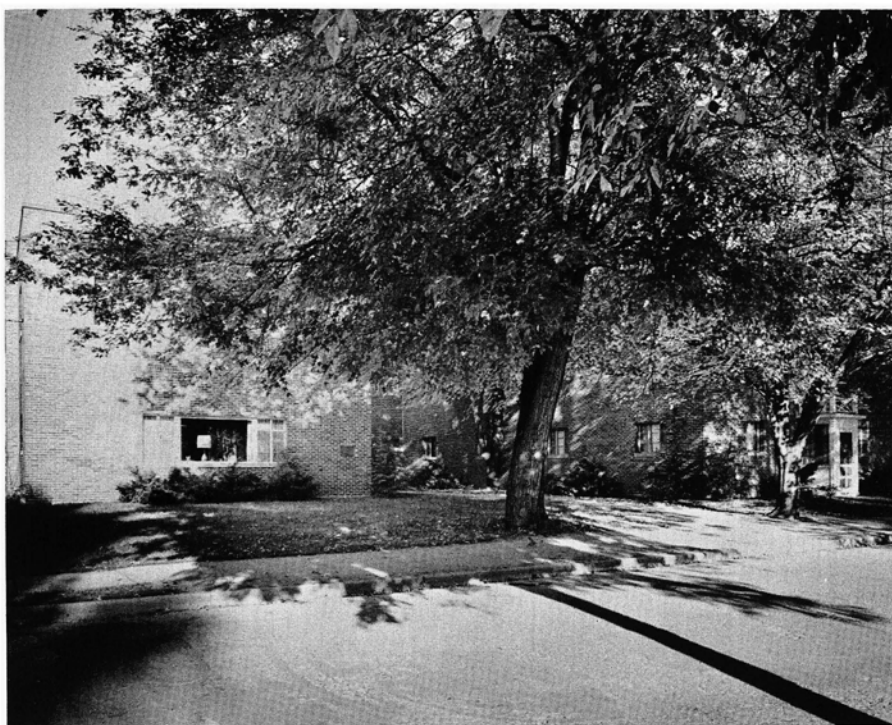

Many long hours of study and practice go into the development of the character and personality of the ONU graduate.

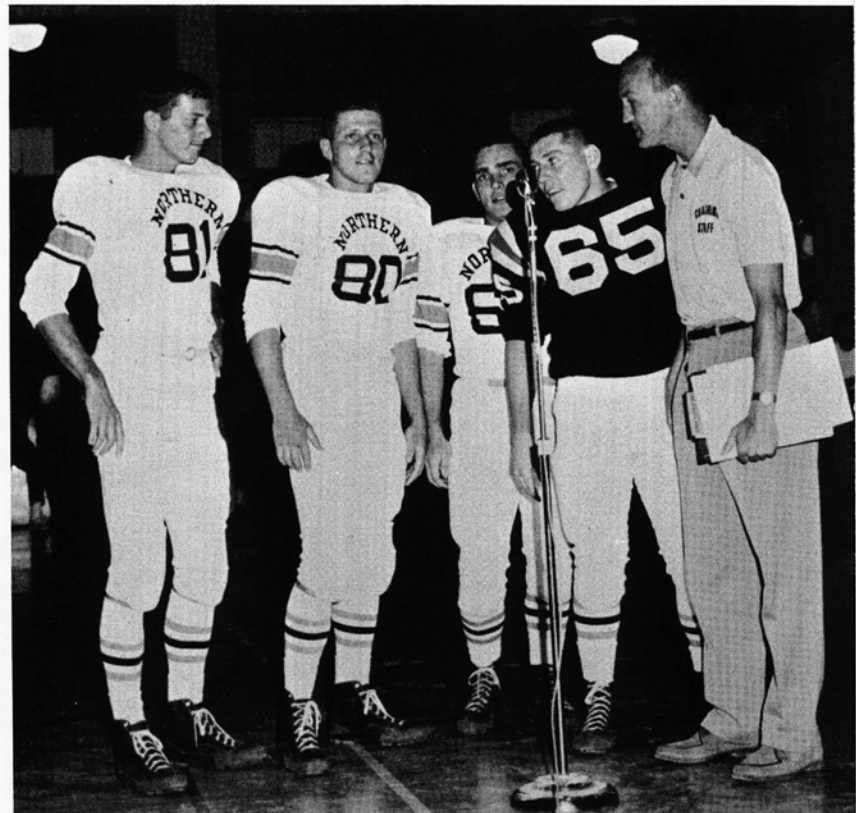

*For freshmen, it's class
elections, pep rallies,
becoming acquainted with
roommates and housing
quarters, and, naturally,
STUDY!*

Freshman Officers: F. Valentino, S. Haines, S. Grubaugh, K. Payne.

*The students at Ohio
Northern develop high
ideals of sportsmanship
and mannerly conduct.
Organizations provide an
outlet for encouraging
qualities of good
citizenship.*

Sophomore Officers: P. Oleson, C. Coats, P. Patterson. Absent: R. Jones.

C. Fusco, *Treasurer*; G. Miller, *Secretary*; B. Norris, *President*. Absent: T. Parkinson, *Vice-President*.

R. Brannan, *Vice-President*; J. Clark, *President*; R. Goldman, *Treasurer*. Seated: C. Pears, *Secretary*.

INSTITUTE OF AMERICAN STUDIES

An Institute of American Studies was held on the campus under the joint sponsorship of the Coe Foundation of New York City and Ohio Northern University. The purposes of this Institute were to improve the understanding of our American Heritage on the part of those teachers most immediately concerned with teaching it in high school, to recognize and reward superior teaching, to stimulate new interest in it, and to enhance professional spirit and competence.

Twenty-five selected high school teachers of English, history, and social studies were invited to be Fellows of the Institute, receiving Fellowships worth \$300 each to cover expenses for the five-week program held during the summer of 1962.

The emphasis of the program was placed on lectures, discussions, wide reading in the library, and the intellectual stimulation derived from association with fellow teachers and the professors who conducted the courses.

The three courses offered were *The American Literary Heritage*, *Problems in American History*, and *The American Economic System*. The integration

around common topics and the weekly seminar sessions facilitated co-ordination of the general weekly theme. Anthony L. Milnar, Professor of History and Political Science and Director of the Institute of American Studies, conducted the course *Problems in American History*; Carle B. Spotts, Chairman of the Department of English, Speech, and Theatre, conducted the course *American Literary Heritage*; and Ralph L. Thomas, Chairman of the Department of Economics and Business Administration, led the course *The American Economic System*.

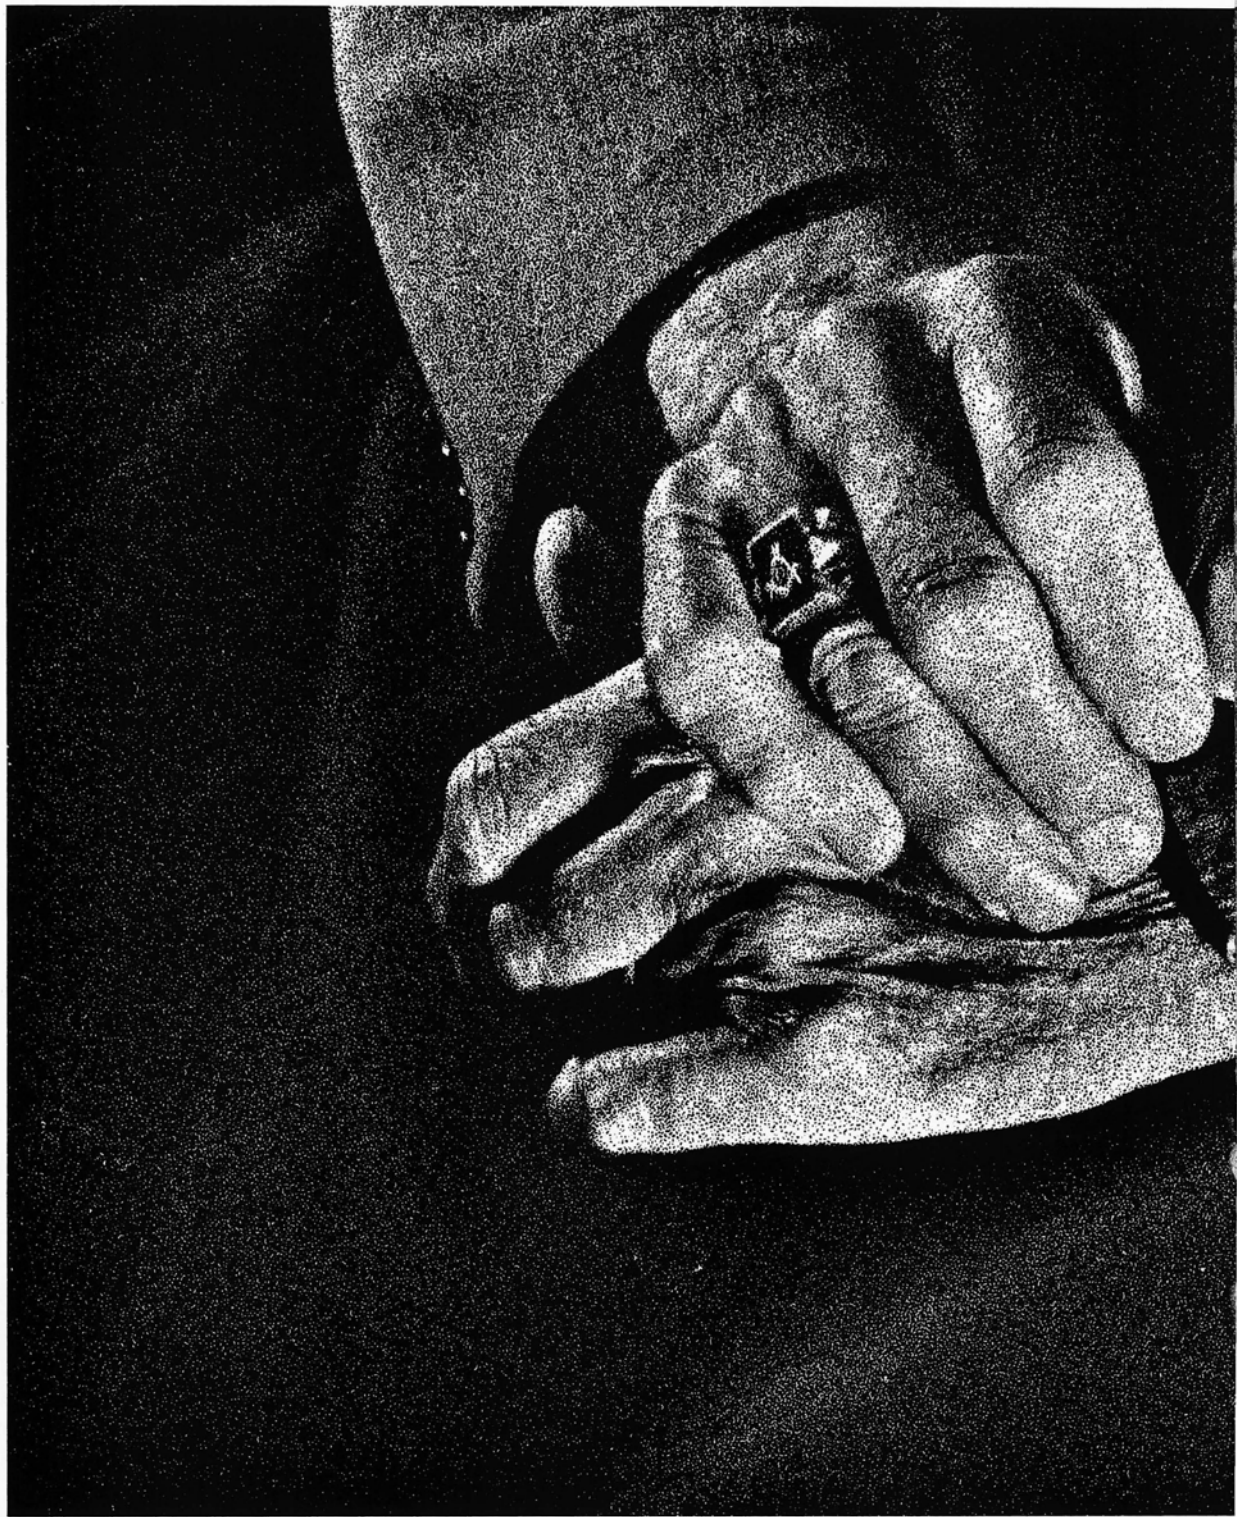

Professor Wilfred E. Binkley, a Professor of Political Science at Ohio Northern University since 1921, was the guest lecturer. He presented five lectures on the following subjects: 1) Ranking the Presidents; 2) Preparation for the Presidency; 3) The President as a Politician; 4) The Commander-in-Chief; 5) The President as Chief Legislator.

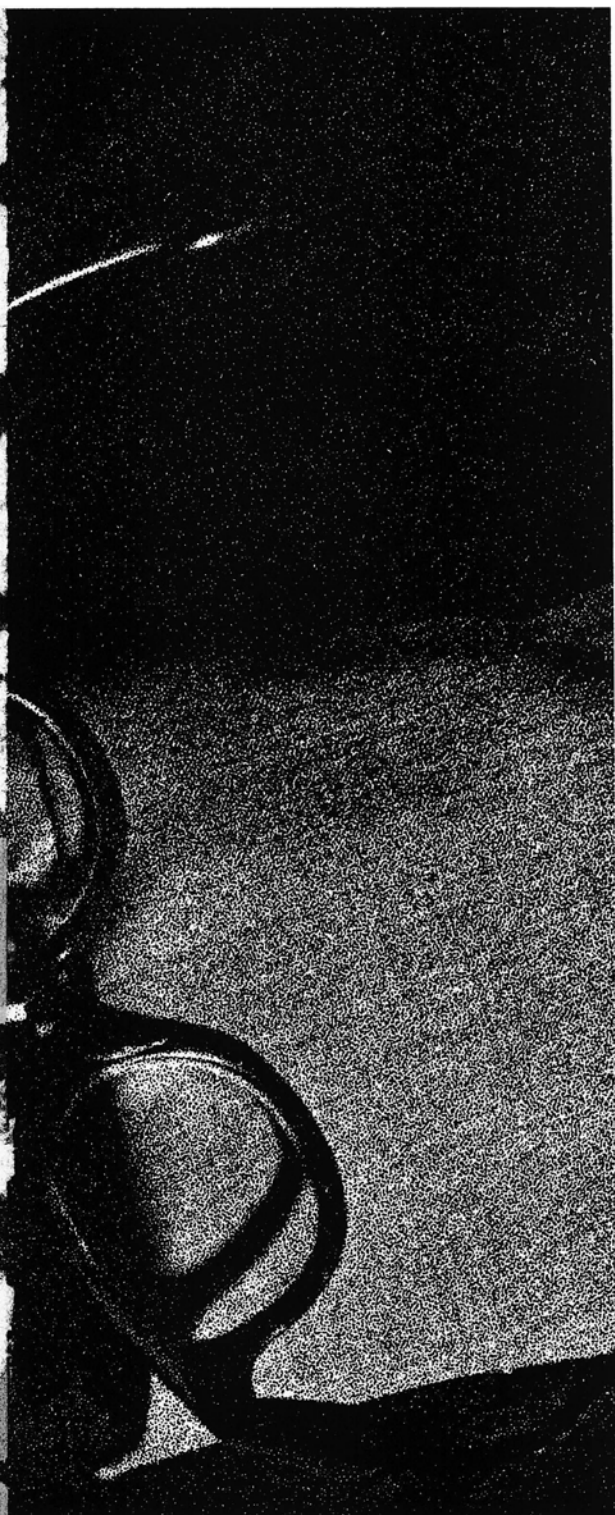

The twenty-five Fellows of the Institute were housed in Clark Hall and were served their meals in the University Cafeteria. Picnics, swimming, tennis, and group social events were planned for their enjoyment.

LIBERAL ARTS

ROBERT P. PRICE
Assistant to the Dean
Associate Professor of English
A.M., Columbia

The College of Liberal Arts was organized in 1910 to offer a well-balanced curriculum in the field of general cultural training.

It has four main divisions: Humanities, Natural Sciences, Social Sciences, and Teacher Education. The objectives of these four divisions are: 1) to develop in each student a love of learning and a reasonable competence in some significant area of knowledge; 2) to help the student evolve a mature philosophy which will give meaning to life, apart from its material accomplishments; 3) to cultivate comprehensiveness of thought; 4) to share in the intellectual and cultural achievements of mankind; 5) to encourage critical thinking, continued reflection and re-examination of basic ideas and values; 6) to develop skill in finding information and in evaluating this to distinguish fact from opinion; and 7) to clarify knowledge by research and by re-interpretation of the old in the light of the new.

This well-rounded, liberal education with stress on moral and spiritual values is designed to develop poise and perspective in the student, to fit him for responsible citizenship, to give him a scholarly foundation for further study or professional training, and to afford him a rich and full personal life.

COLLEGE OF ENGINEERING

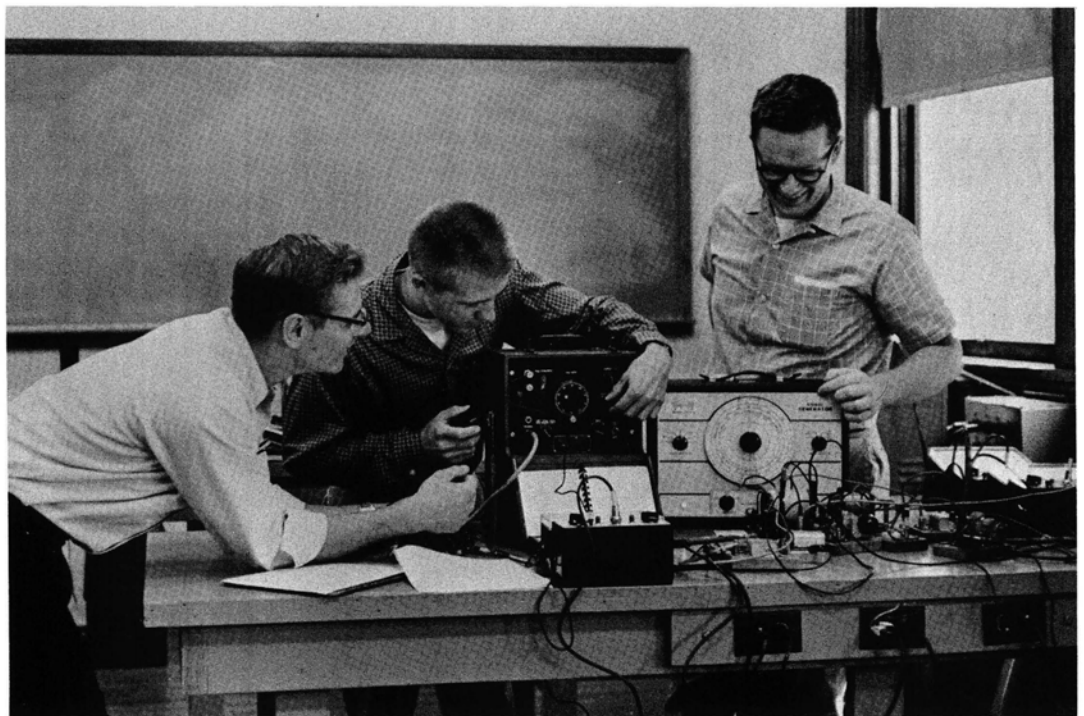

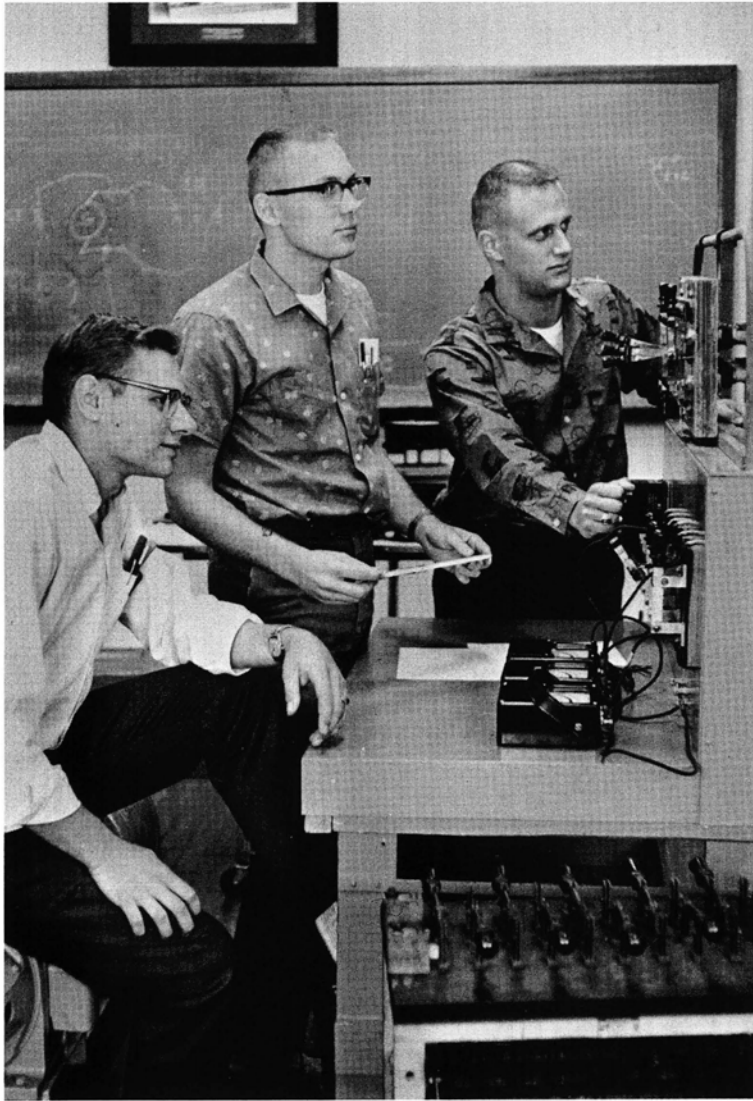

LAWRENCE H. ARCHER
Dean, College of Engineering
Professor of Civil Engineering
M.A. Bowling Green

The College of Engineering has three departments—Civil, Electrical, and Mechanical—which have been accredited by the Engineers' Council for Professional Development. The Civil Engineering Department had its first class in **1882**; Electrical Engineering, in **1898**; and Mechanical Engineering, in **1904**.

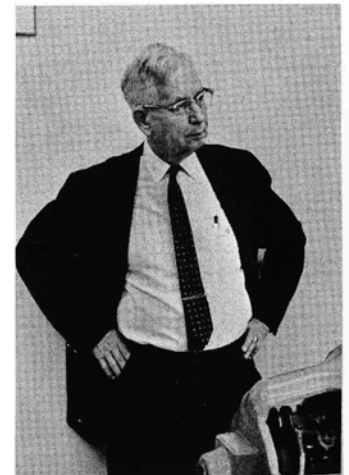

It is the aim of the College of Engineering to develop the whole individual. Basically, the engineering student learns how to think in a logical sequence, subject to the facts involved. The purpose of the College is to have each student attain the highest standard of undergraduate proficiency in the areas of subject matter basic to all engineering and education in the essentials of his chosen branch of the profession as well as the areas of living.

The College holds membership in the American Society for Engineering Education. The Ohio State Board of Registration for Professional Engineers and Surveyors lists Ohio Northern University on its approved list.

EUGENE N. HANSON
Dean, College of Law
Professor of Law
LL.M. Michigan

The College of Law was established in 1885. In educating students for the practice of law, it has four chief objectives: 1) to inculcate the principles of legal ethics and of the lawyer's public responsibility to enable the student, as a lawyer, to take his place as a trusted leader and counselor in his community; 2) to inculcate a systematic and complete grounding in the history and fundamental principles of the common law and statute law including the more important statutes and decided cases of Ohio; 3) to develop proficiency in the application of the principles of law to the complicated relations, rights, and duties arising in modern society through the training of the powers of analysis, discernment and judgment; and 4) to show the place, importance, and aims of the law in society.

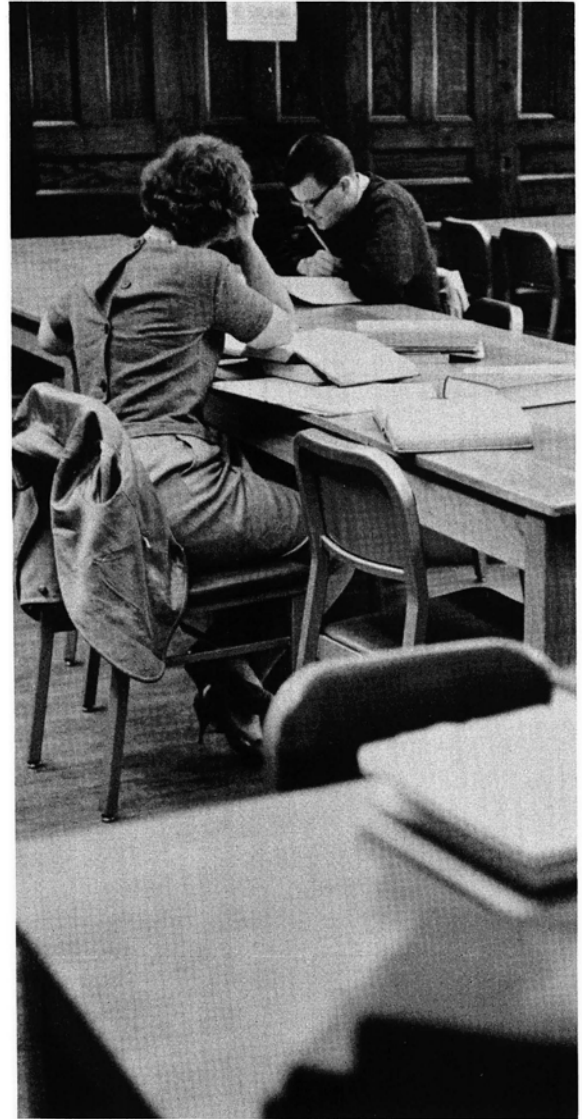

The College of Law is fully approved by the American Bar Association and holds membership in the League of Ohio Law Schools. The courses are planned primarily to prepare students for the practice of law, but they include a knowledge of the principles and history of law, giving a foundation for a career in government or business.

CHARLES OREN LEE
*Acting Dean, College of
Pharmacy*
Professor of Pharmacy
Ph.D. Wisconsin

The College of Pharmacy of ONU had its beginning in the Departments of Science and Medicine. The Department of Pharmacy was established in 1884 to meet the demand for trained and qualified pharmacists, later developing into the College of Pharmacy.

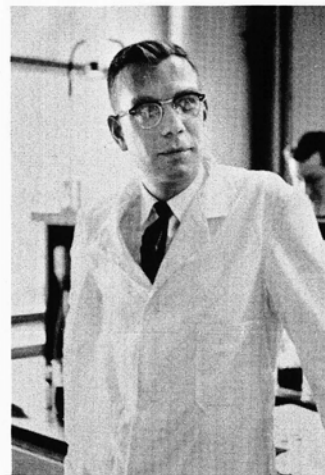

Its aims and purposes are to prepare its students to meet satisfactorily the professional and cultural demands expected of pharmacists and to carry their share of the responsibility of public health, welfare and education in their respective communities. The students are entreated to develop self-reliance, character, and ethics so that they may render safe and efficient pharmaceutical service to all who seek it. They are also made acquainted with the need for and value of membership in pharmaceutical associations and in civic, social, and religious bodies of the communities in which they live.

HOMEcoming 1962

Delta Zeta's third consecutive win in Pushmobile Race.

Alpha Sigma Phi's sixth consecutive win in Pushmobile Race.

Winner of House decorations, Sigma Pi.

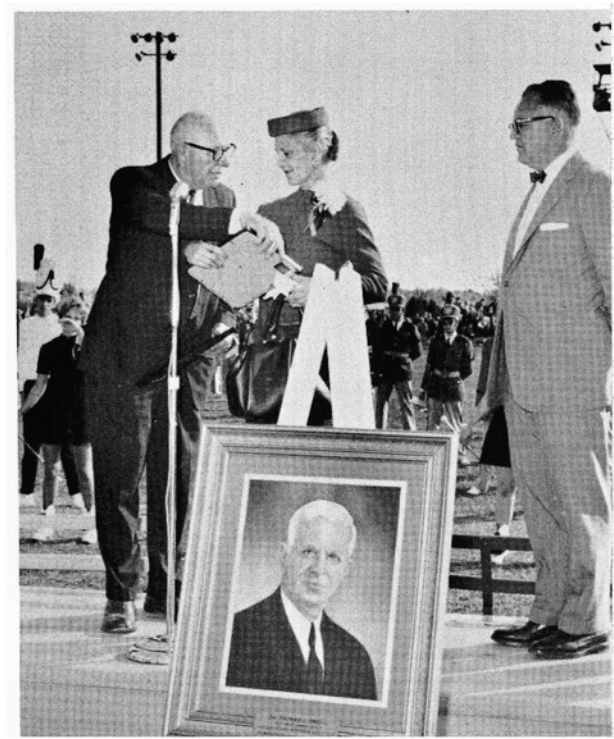

Queen Mary Schmuck and Student Council President Mike Moser bestowing the traditional congratulations.

Queen Mary Schmuck and her attendants Sandy Dangler and Judy Siferd view the football game.

MAJORITY OF ONE

For its opening production, the theatre department presented "The Majority of One," under the direction of Clair Myers, assistant director of the theatre department.

The play, one of the best received plays of the Broadway season, is a comedy which embodies a philosophy of trust and faith yet captivates a heart warming hilarity when an American Jewish woman overthrows her prejudices and starts keeping company with a gentleman of Japanese descent.

James L. Reuf, technical director of the theatre department, experimented with staging for this production by using four units on a hand-manipulated revolving stage.

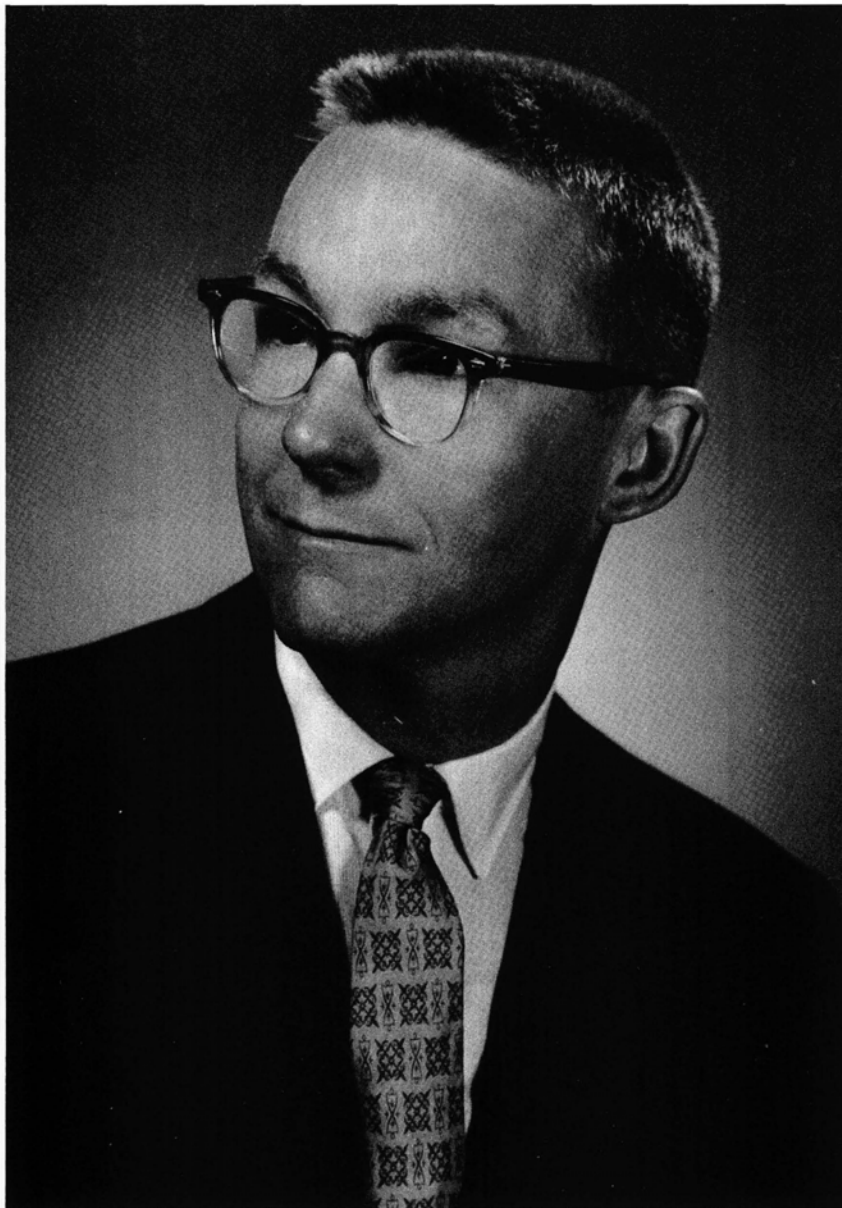

The leads were taken by Penny Pogany and Craig Halliwell. Other members of the cast included Margo Morstatter, Joyce Hauenstein, Steve Milby, Ron Myers, Dan Szlag, Rebecca Mutchelknaus, Robert Kyler, Lois Tittle, Adele Jones, and Ed Maurer.

Grace Miller and Ron Myers.

Peggy Pogany and Joyce Hauenstein.

Dr. Lee C. Moorehead, *Religion in Life Week* Speaker

Dr. Lee C. Moorehead, author of *Freedom of the Pulpit*, was the main speaker for Religion in Life Week held October 21-25.

He was graduated with an A.B. degree from Millikin University in Decatur, Illinois, and received his S.T.B. degree from Boston University School of Theology. In 1954, his Alma Mater, Millikin University, conferred upon him the honorary Doctor of Divinity degree, and in 1961 he became Professor of Preaching and Worship at Saint Paul School of Methodist Theology in Missouri.

Other resource leaders who spoke to the various dormitories and organizations on campus included the Rev. Donald Albert, the Rev. Donald Cotrone, the Rev. Ernest Bigelow, Rabbi Morton Applebaum, Rabbi Stanley Brav, the Rev. Alden Hathaway, Dr. Robert Huddleston, the Rev. Father Nicholas Rolling, the Rev. Father Francis Schweitzer, and the Rev. Robert Matten.

The topic of Religion in Life Week was "Faith and the Risk of Courage." Edward Garrity, acting Director of Religion, acted as chairman.

RELIGION IN LIFE WEEK

ARTIST SERIES

The Artist Series opened on November 12 with the Di Zagreb String Orchestra. This group of fourteen first rate performers, on a return trip from Europe, welded a miniature orchestra into a solid artistic unit.

Antonio Janigro embarked at the age of sixteen upon a brilliant career as a solo 'cellist. In 1953, seeking a broader field of musical activity and interpretation, he helped organize *I Solisti di Zagreb*, of which he became Musical Director and Conductor. The organization was quickly recognized as one of the great chamber music ensembles of modern times, unique in its interpretations as well as in the beauty of its tone.

On December 9, Olegna Fuschi, one of the most promising American pianists, was heard in concert on Lehr Stage. She is a Juilliard School of Music graduate and protegee of Mme. Rosina Lhevinne. A winner of many prizes, including the Joseph Lhevinne Memorial Award, Miss Fuschi has also had the honor of appearing with the Boston Pops Orchestra and several times on television programs.

CHORAL CABARET

The Chorus-Choir, under the direction of Dr. Karl Roider, presented the 15th Choral Cabaret entitled "Kaleidoscope" on Friday, December 7. In spite of the blizzard, a large group of people, consisting mostly of townspeople and on-campus students, were able to enjoy the presentation.

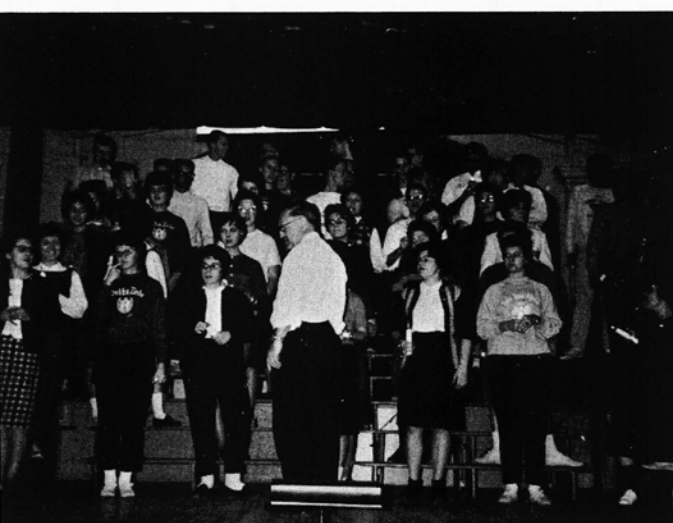

The Modernette, directed by Mr. John Anderson, provided the dance music.

During the intermission, the choir presented the various secular and sacred selections of the program. Special sacred music included "The Messiah" with solos by Paul Allen and Arlene Moore and organ accompaniment by Dr. Thomas Matthews; "Poor Little Baby Jesus" was presented with a solo by Arthur Jackson. Six dancers presented "The Peppermint Twist" with dancing arrangements done by Robert Kyler and special instrumental accompaniment by Jim Flenner on the saxophone and Bart Tunick as drummer.

A small orchestra made up of ONU students, faculty members, and some recruits from town accompanied the choir in the presentation of " 'Twas the Night Before Christmas."

Sandra Bidlack accompanied the choir on the piano, and Janet Adams performed as student organist.

The choir was placed in a cone-shaped backdrop. Small electric candles added effect as various figures were represented by outlines. The theatre department was in charge of special lighting.

MISS AMERICA, JACQUELINE MAYER

Jacqueline Mayer, *Miss America 1963*

The annual Miss Northern dance, sponsored by Alpha Phi Gamma and the publications' staffs to select the Queen of *The Northern*, was held Friday, February 8.

Miss Clingan Shaffer, a junior physical education major, was chosen by Miss Jacqueline Mayer, *Miss America 1963*, to reign. Her court consisted of Miss Carol Pears, Miss Mary Schmuck, and Miss Alma Johnson.

The queen was crowned by Mr. G. E. Belch, advisor to publications, who acted as master of ceremonies.

The Modernette, under the direction of Mr. John Anderson, furnished the music for the dance, which carried through a Valentine's Day theme.

ARTIST SERIES

Robert R. Brunn, the American News Editor of *The Christian Science Monitor*, spoke here on February 19. Mr. Brunn has recently completed a thorough study of the impact of missiles, electronics, and nuclear weapons on the operations of the Army, Navy, and Air Force.

In constant contact with the top sources in Washington and around the world, he is one of the most authoritative lecturers on the current position and the future of America.

Delta Zeta Sorority

GREEK SING

A barber-shop quartet from Lima, Ohio, judged the annual Greek Sing on January 24. Delta Zeta Sorority and Sigma Pi Fraternity won with their respective selections: "Tumblin' Tumble Weed" and "What to Do with a Drunken Sailor." The required numbers were "Younger than Springtime" for the sororities and "Aura Lee" for the fraternities.

This Greek Sing has been acclaimed as one of the best because of the fine effort put forth by all groups who participated.

Sigma Pi Fraternity

Mrs. Long, Mrs. Thomas, Mrs. Price as Gertrude, and Mrs. Davis.

Mrs. Judd as Ophelia; Mr. Myers as Hamlet.

HAMLET

The main winter production of the Theatre Department was a student-faculty presentation of *Hamlet, Prince of Denmark*. Directed by Betty J. Bartlett, Director of Theatre, the play opened January 31.

The cast included Mr. Clair Myers, instructor in English, as Hamlet; Mr. Robert Price, Assistant Dean of the College of Liberal Arts, as Claudius; Mr. Ronald Myers, a junior, as Polonius; Mr. James Ruef, instructor in theatre, as Horatio; Mr. Craig Halliwell, a freshman, as Laertes; Mrs. Francis Price as Gertrude; and Mrs. Sally Judd as Ophelia. The supporting cast was made up of students and faculty members of the University.

Acclaimed as a worthwhile endeavor by neighboring newspapers, this production was well received here at O.N.U. and has earned much praise for the Theatre Department.

The ShakespeareNight Tea.

The annual Shakespeare Night was held Friday, February 1, after the performance of *Hamlet*, one of Shakespeare's masterpieces.

Under the direction of Dr. A. Louise Hastings, associate Professor of English, who also served as a consultant on the text and analysis of characterization for the play, the English and theatre majors in the Shakespeare class served a tea to the cast of the play in Alumnae Hall.

Wearing original creations of seventeenth century hats, the class decorated and served English delicacies of the period.

SHAKESPEARE NIGHT

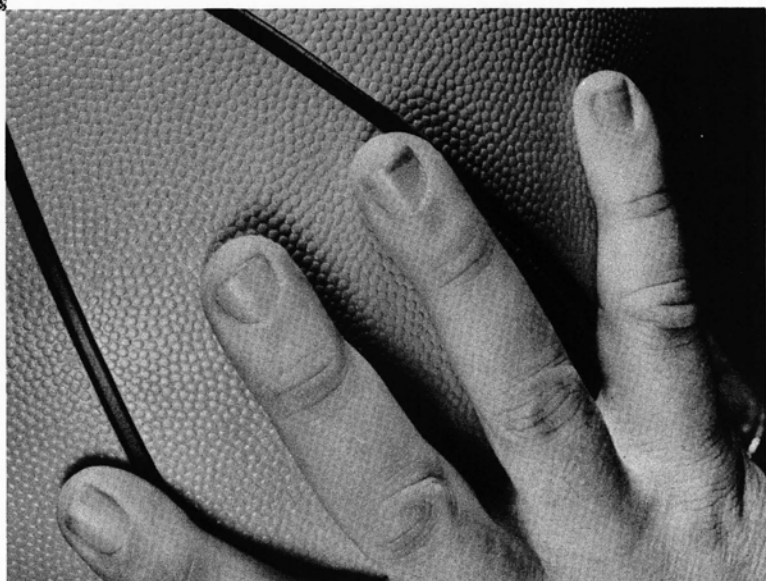

Ron Myers as Polonius; Craig Halliwell as Laertes.

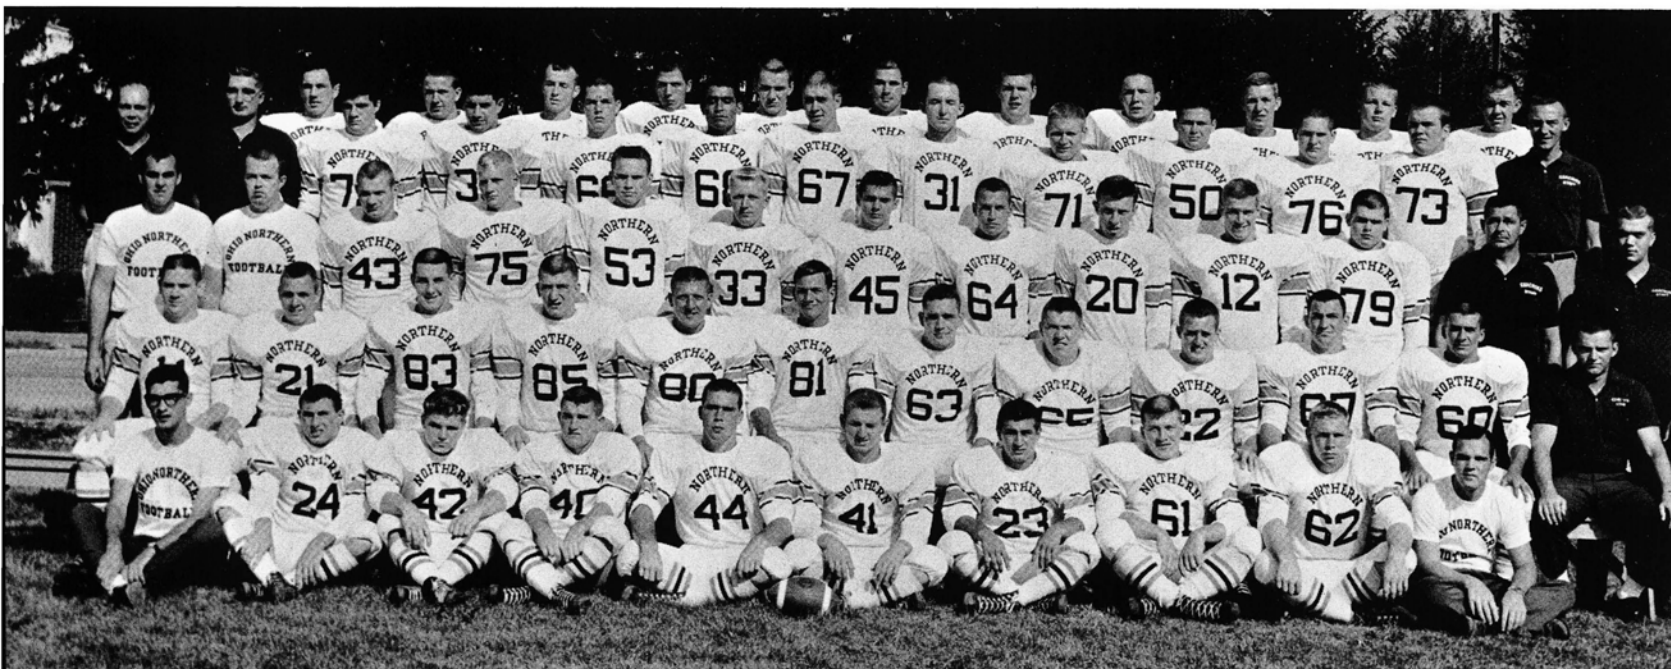

SPORTS

Northern's 1962 football season will go down in the records as a successful season. High spots in the season were a thrilling victory over arch rival, Findlay, and a sound drubbing of a fine team from Ferris Institute. Chief disappointments were a Homecoming loss to Ashland and a hard luck defeat at Bluffton. As the record shows, it was an up and down year as the team looked great one week and not so great the next. Playing Northern's roughest schedule in recent years, the Bears compiled a 5-4 won-loss record.

The Bears were led by Co-captains, Norm Douglas and Jim Thullen. Other seniors on the squad were Jim Judy and George Hindall. Jim Bolinger and Bill Norris were the top scorers with 32 points each. Norris was the top Bear rusher with a total of 403 yards. Gary Warner copped the honor as top pass receiver with 6 catches for a total of 215 yards. Jim Finch, sophomore, had the most pass completions with 20 out of 55.

The Bears' fine defensive team consisted of: Dasher and Imbody at end; Peters, Keith Miller and Donahoe at tackles; Hanzie played middle guard; Thullen and McMaster were the linebackers; while the backfield was composed of Glen Miller, Tim Miller, Finch and Gmyrek. Finch and Glen Miller were standouts on pass interceptions.

The offensive lineup included: Hindall, Warner, and Judy at end; Donahoe and Hanzie at tackles; Thullen, Fisher, and Douglas at guards; English and Crumrine at center; Finch and Ritzman shared the quarterback slot; Bolinger, Kobilarcsik, Norris and Wagoner were the halfbacks; and Richard Trick played fullback.

Jim Finch and Jim Thullen were selected on the All-Ohio NAIA team. Finch was selected as a defensive back and "Stud" as a defensive linebacker and offensive guard.

Probably one of the biggest honors bestowed on a Northern athlete in recent years was awarded to Jim Thullen as he received a spot on the All-Methodist All-American Team for the 1962 season.

The Bears close in on the Ashland ball-carrier.

The cheerleaders were always there to lend support.

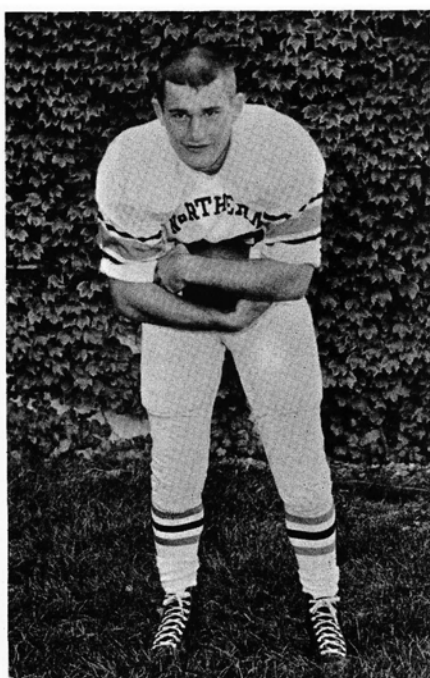

The Bears made their 1962 football season debut a roaring success with a 52-6 win over the Alma College Scots. The score climbed rapidly for Northern with the Bears holding a 40-0 lead at halftime. The Scots lost the ball to the Bears 8 times through four fumbles and four pass interceptions. Bolinger, Kobilarcsik, Wagoner, Warner, Dasher, Moses, and Norris scored TD's in the game.

Albion College, taking advantage of Northern mistakes, handed Northern their first defeat of 1962. The Britons held a 13-8 lead at halftime with Jim Finch scoring the Bear touchdown. The final score came in the third quarter when Albion made good an 18 yard field goal attempt leaving the score at 16-8.

The biggest "must" game of the year for the Bears was the grudge match against traditional rival, Findlay College. Leading the defensive charge for the Bears was end Chuck Dasher, who time and again broke through the Findlay line to tackle Findlay's stars Barry and Tipple for big losses. Northern's score came in the final period after a long drive climaxed by Bolinger's TD. The final score was 7-0, a Bear victory.

The Polar Bears earned their third victory of the season by thumping the Wilmington College Quakers 32-0. The Bear defense allowed their opponents a net yardage gain of 97, once again provided a backbone for the victory. Trick and Norris scored early giving the Bears a 12-0 halftime margin. In the third and fourth period Glen Miller and Jim Judy scored respectively. The final Northern score was by Moses on a short plunge following the recovery of a Quaker fumble deep in Quaker land.

Homecoming this year was rather disappointing. The Ashland Eagles, dominating the game completely, conquered the Bears 16-6. The Eagles scored in the first period, taking advantage of a Bear fumble and then driving in for the touchdown. The only Bear score was also the result of an Ashland fumble. Immediately after the Northern score, the Eagles struck through the air on a 40 yard pass play which was beautifully set up by successive line plunges by Ashland's quarterback. The clinching points were added in the third quarter with a 17 yard field goal.

Mick Wagoner, Halfback

Larry Imbody, End

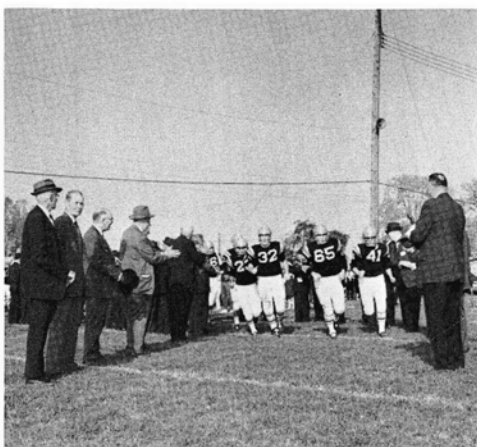

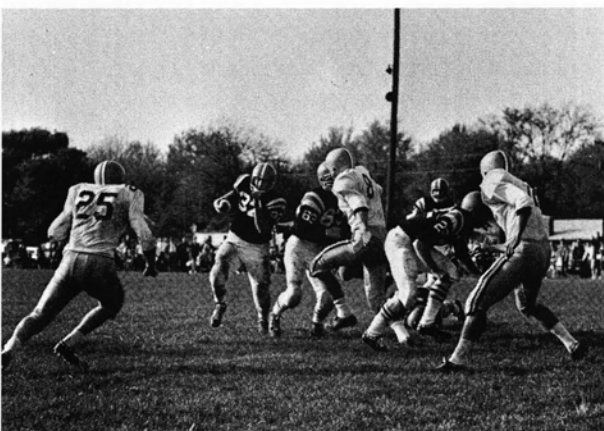

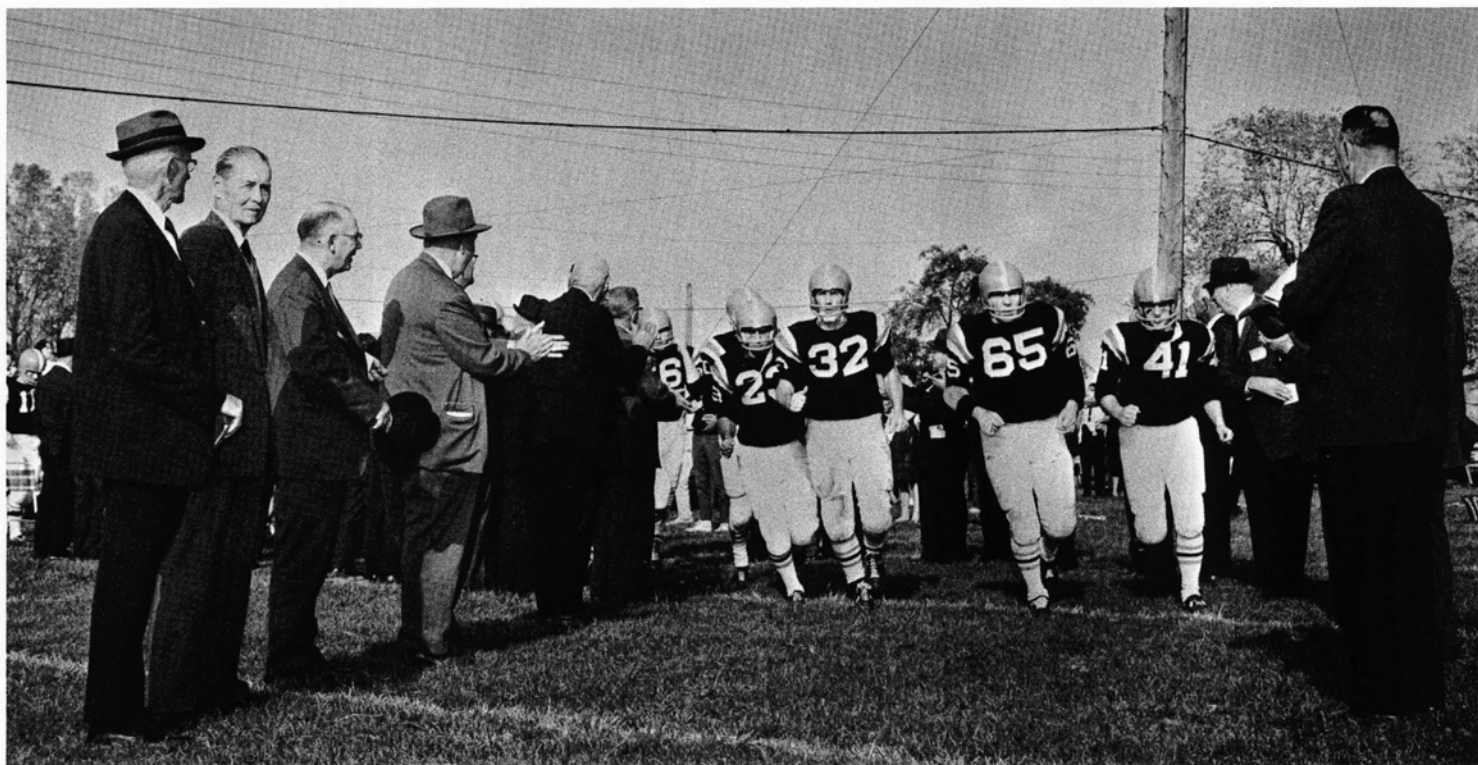

The sixth game of the season was against the Beavers of Bluffton at Bluffton, and to say it was muddy is an understatement. The conditions apparently suited the Beavers because they responded by defeating the Bears 12-10. After successful quarterbacking by Jim Finch, Jim Bolinger scored the Bear TD. The third quarter was the Bears' downfall, with the Beavers scoring two touchdowns. The rest of the game was a "dog fight" but it was Bluffton who rang the victory bell.

The Bears gained a fourth victory by defeating winless Northwood College at Midland, Michigan, by the score of 35-0. Northwood, a college two years old, may have a good future as all their players are freshmen and sophomores. Jim Finch scored on TD and passed for another. Bolinger scored two touchdowns with Norris and Kobilarcsik each scoring one.

The final 1962 home game for the Bears and the last for seniors Jim Judy, Norm Douglas, George Hindall, and Jim Thullen saw these men lead the Bears to a solid 30-6 victory over Ferris Institute, thus avenging last year's loss. In the first period Mike Kobilarcsik scored on a 10 yard run. The second period put the game on ice for the Bears. The Bears scored two TD's, a two point extra point, and a safety. Bill Norris scored in the fourth period for the final one.

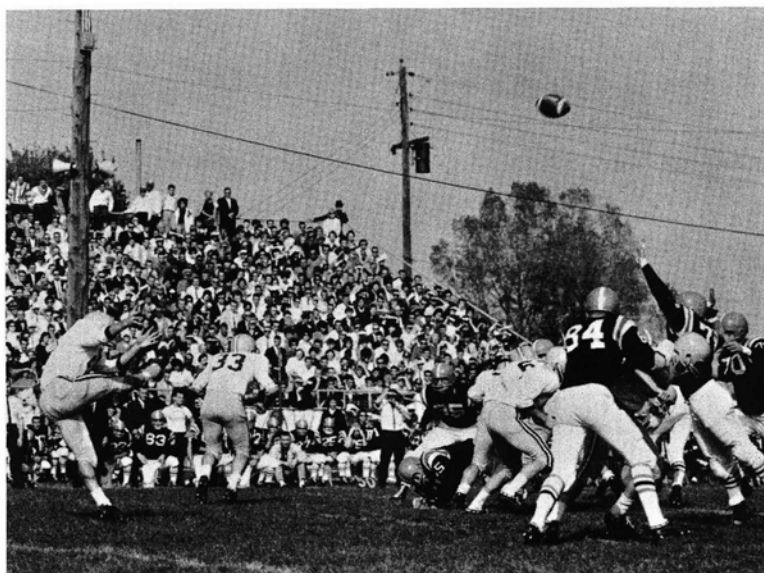

The last game of the 1962 season was played at Hillsdale, Michigan. Except for a 60 yard pass play from Ritzman to Norris followed by a touchdown in the first quarter and a drive stopped on the 4 yard line in the next quarter, it was the power of Hillsdale which provided the crowd of 6,000 with the thrills of football that afternoon.

BASKETBALL

Northern's basketball Bears opened their 59th season with a thrilling 62-52 defeat of their backyard neighbor, the Bluffton Beavers. This victory seemed to inspire the team that came out with two strikes against it. With only three lettermen returning and several key players ineligible, Coach Marv English was faced with a king-sized job of rebuilding.

The squad did not possess any real height nor any outstanding scorer but a rather small but generally aggressive and hustling group full of spirit and capable of good team play. Mike Muterpaw and Larry Miller, senior guards, plus sophomore guard Bob Woods were the returning lettermen. These players, plus several newcomers, were faced with perhaps the roughest schedule in Polar Bear history and they successfully overcame their difficulties.

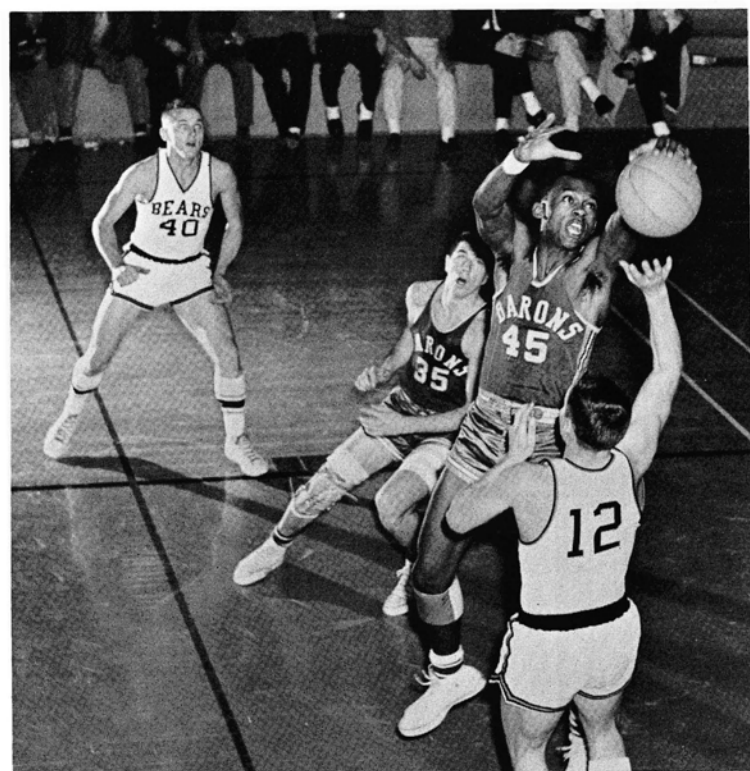

Perhaps the highlight of the entire season for the Bears was their participation in the Quantico Invitational Tournament at Quantico, Virginia. The Bears won two out of three games on consecutive days to capture third place in the tournament.

In the opening game the Bears, the smallest fivesome of the tourney, defeated Old Dominion 68-58. Bob Woods was high man with 17 points while Buczynskyj and Stone hit double figures. The following night, the Bears fell to American University 70-60. This time Mike Muterspaw dropped in 15 points to be high scorer. The consolation tilt the final night saw Northern victorious with a 68-41 romp over Lehigh while Woods found the basket for 15 points to lead the men from Northern to a third place berth.

Throughout the tournament, the Bears were the favorite of the fans and often the subject of much praise. Mike Muterspaw was second in the voting for the most valuable player award, adequate testimony of his ability and a reflection on the good impression made by Northern at the tourney.

Coaches Marvin English and Larry Michael.

Coaches Marvin English and Larry Michael guide the Polar Bear Basketball Team. Both are graduates of O.N. U., Marv in 1941 and Larry in 1960.

This is Marv's fourteenth season as head basketball coach at Northern, his record being 128 victories and 116 defeats. Last year's season was one of the finest in the history of the school. He has added prestige to the athletic program by his excellent teaching of the game.

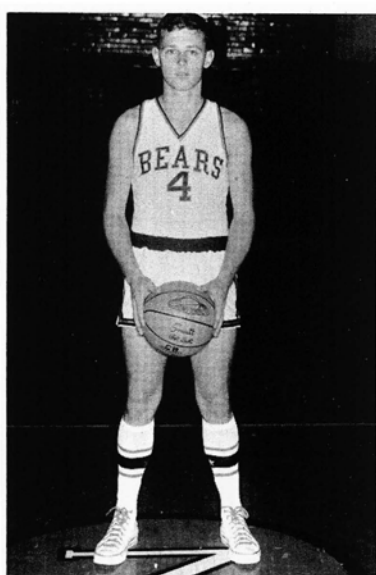

This is Larry's second year as coach to the Polar Bear J. V.'s and as an assistant to Marv English.

The skill of these two coaches in maneuvering their team to victory is evident in the spirit displayed by the players and the fans alike.

The Junior Varsity basketball squad, under the guiding hand of Assistant Basketball Coach, Larry Michael, ended the current season with a 10 win 4 loss record. A loss to Ashland's Junior Varsity squad broke a twenty-four game winning streak.

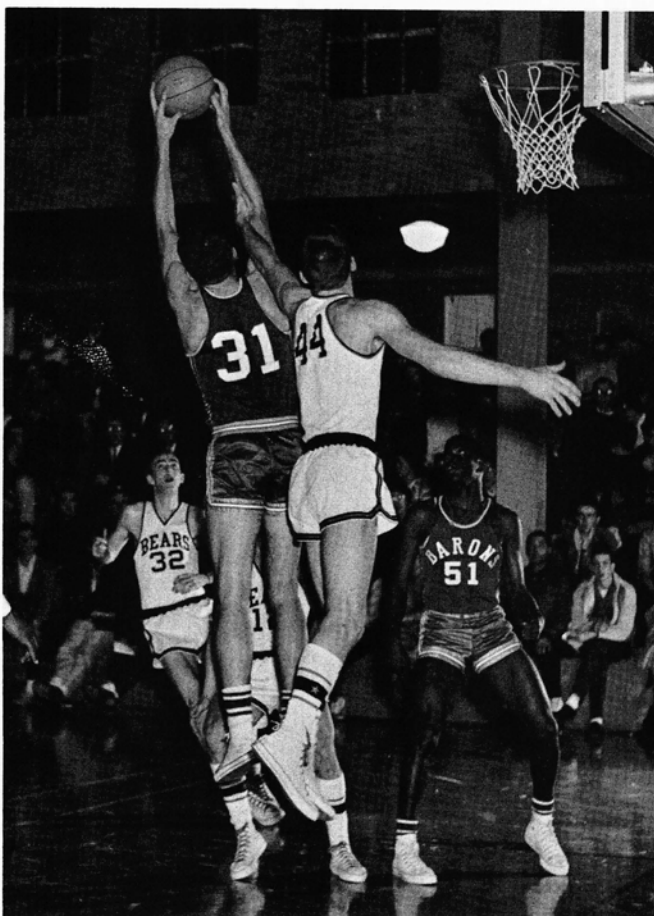

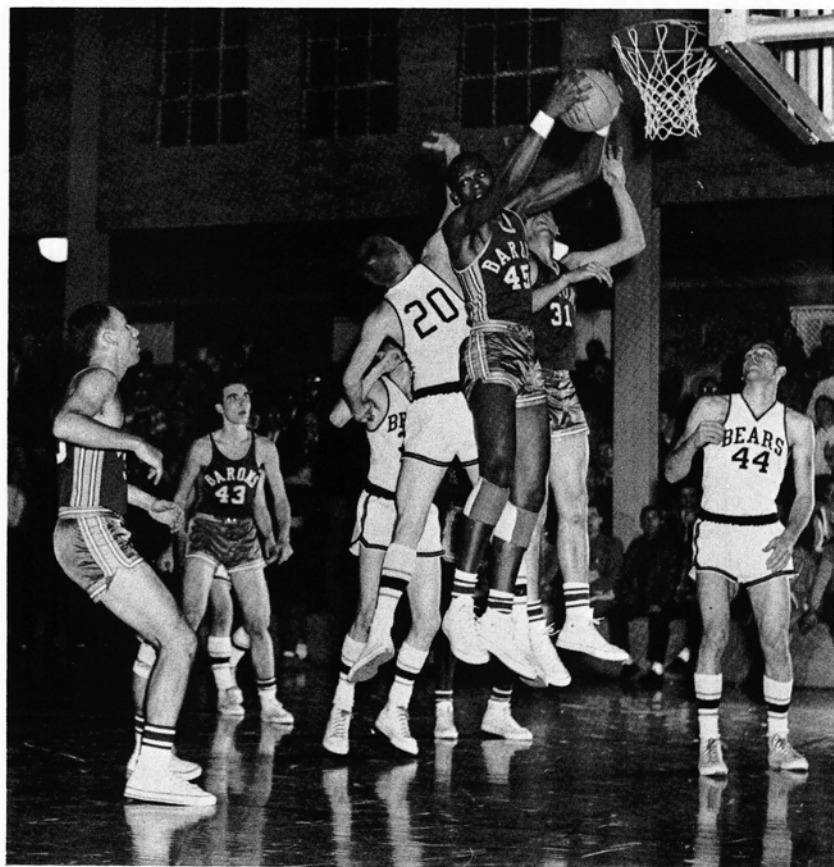

Northern's basketball future is brightened by the prospect of several outstanding members of the J. V. team joining the varsity within the next year or two.

Jerry Stechschulte, Tom Gray, and Chuck Ellis assisted in varsity efforts toward the end of the season by dressing for both Junior Varsity and Varsity competition.

The J. V. squad, the seasoning-ground for college competition, contributed a fine effort toward the basketball season this year and we will look forward to watching them put to use the valuable experience they have gained this year.

The ONU Hockey Team produced its first win in four years by defeating Case Institute 2-1, to finish with what they consider a successful season. Lacking sufficient equipment, facilities, and support, the Bears representatives tackled the top schools in Ohio. Although the record left something to be desired, the team represented themselves well.

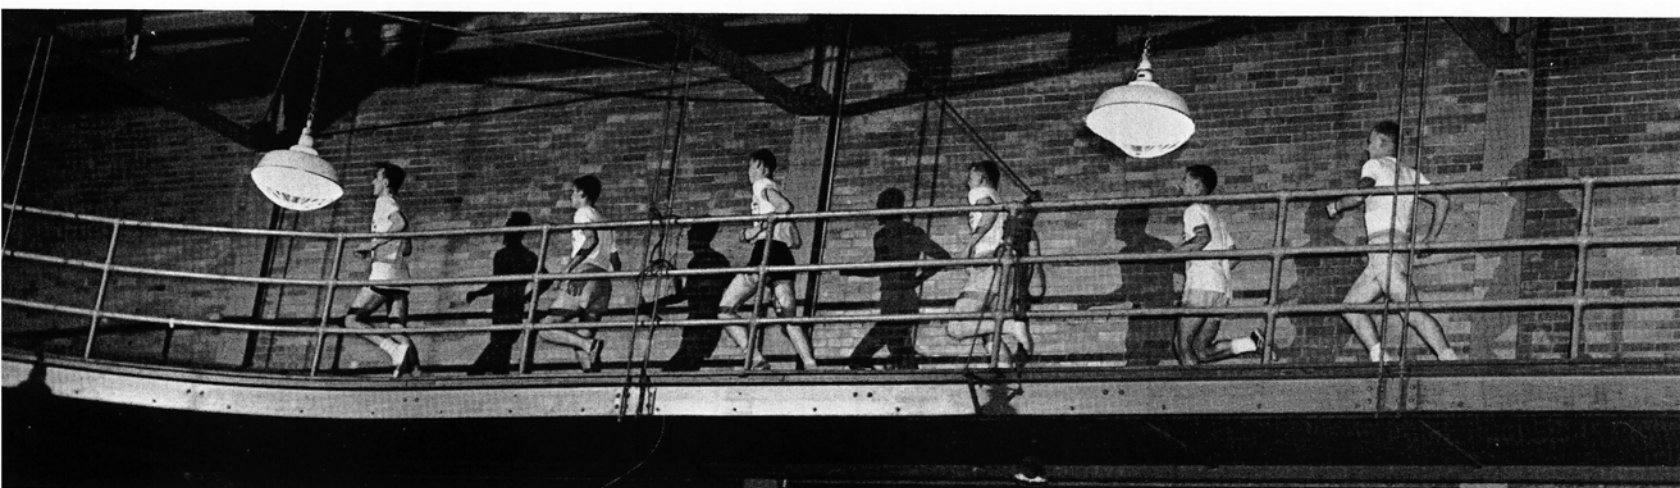

Practicing once a week, the icemen for the first year were under the guidance of Doug Houston, a former professional, with Fred Evans and Max Styzmn lending a guiding hand. The team includes two seniors Gary Royer and Jim Overholt, both top skaters.

The Case game provided many exciting moments for the team as they jumped to an early 1-0 lead with a goal by Royer. With two minutes left in the third period, Case tied the game. Only five seconds remained in the final quarter when Overholt scored with Royer assisting to give the Bears their victory. Bob Sterling, playing goalie for the first time, made twenty-three saves.

Through the insistence of many athletes and the urgings of track coach, Joe Banks, 1962's fall quarter introduced to Ohio Northern the sport of cross-country. Coached by the Athletic Director, Clyde Lamb, Ohio Northern had an encouraging although not exceptionally profitable season.

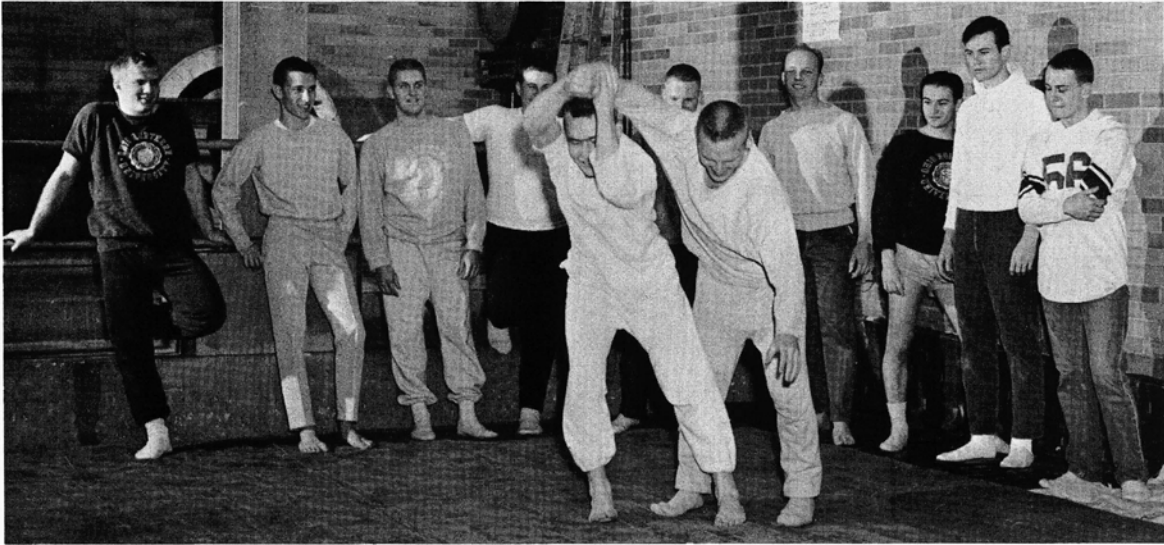

The team was composed of six men: Dick Wolfert, Don Hostetler, Terry Ryan, Bruce Brown, Jack Fulton, and Jerry Miller. The squad had seven meets this year, two with Ashland and one each with Albion, Otterbein, Ohio Wesleyan, Toledo, and Hillsdale.

Inspired by the Homecoming throng and festivities, the Polar Bear "rabbit-chasers" won their first and only meet of the season. The victim was Ashland. It was significant because Ashland had soundly defeated the Bears in their previous encounter. The sport of cross-country appears to have a fine future ahead at Northern.

JU-JITSU

Judo, which is derived from the Japanese term ju-jitsu, is the Japanese art of self-defense without weapons. The main principle behind this art is making use of the opponent's strength and weight to disable or injure him.

For two years now the art of judo has been taught in the physical education department for one-hour credit by Bill Busche and his assistant, Bob Buttermann. Approximately one hundred fifty students, both boys and girls, have enrolled in the course, and there is now a club being formed to enter into intercollegiate competition.

S. McDowell, S. Stoltz, K. Hutchinson, S. Flegle, A. Miller.

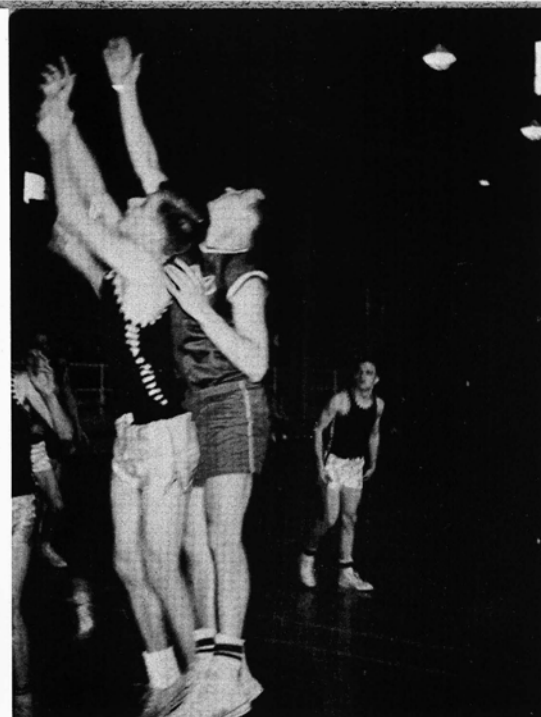

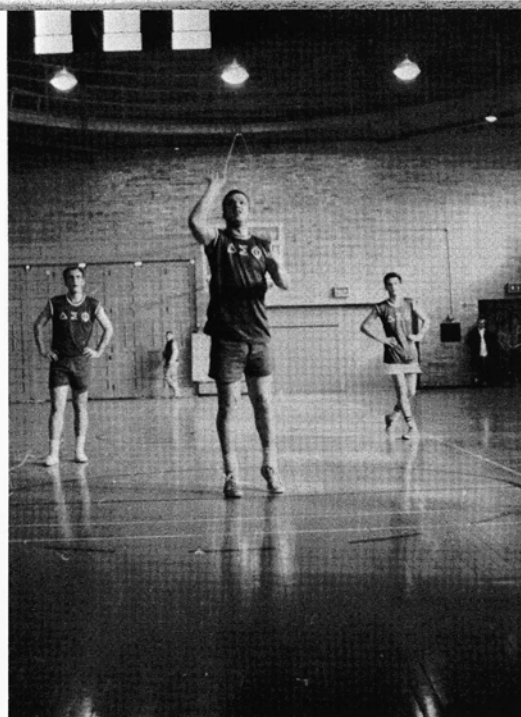

Yea Team! Fight Team! These are familiar words heard on Northern's campus in both the fall and winter seasons, as the cheerleaders of Ohio Northern University cheer the teams on to victory.

Cheerleaders for the 1962-63 season were Anita Miller, Sally Flegle, Sally McDowell, Sally Stoltz, and Becky Mutschelknaus. The Junior Varsity Cheerleaders, which are composed of freshmen, were Nancy Price, Judy Shepherd, Pat Davis, Karen Evans, and Sue Martin. Alternates were Clingan Shaffer and Karen Hutchinson, Varsity, and Marsha Baker, Junior Varsity.

Mozelle Pickering, Women's Physical Education Instructor, chose the girls on the basis of ability, co-operation, leadership, and the ability to follow instructions.

INTRAMURALS

The Intramural program is under the direction of Joe Banks of the athletic department. The program is composed of two separate leagues: the fraternity and the independent. In the former league, all the fraternities on campus are in competition with one another. The independent league is run similarly. Playoffs are then held to determine the "all campus champions." In most cases, rotating trophies are given in all categories.

Intramural competition includes golf, tennis, horse-shoes, softball, cross country, volleyball, basketball, badminton, foul shooting, ping-pong, and track. The winners of the various sports are awarded points. The organization with the greatest accumulative points at the end of the year is the recipient of the "All-Sports Trophy."

WOMEN'S SPORTS

Under the direction of Mozelle Pickering and Ginny Cahill, the women students of Ohio Northern are given the opportunity to participate in both intramural and varsity sports. Basketball and volleyball are the two major sports with some interest being shown in tennis on the varsity level.

The intramural league is comprised of the sorority teams as well as independent and freshmen teams. Every Tuesday night these teams vie for the coveted first place trophies with spirited sportsmanship. Competition is very keen and often produces some surprising results. This year Alpha Xi Delta sorority copped the intramural volleyball championship in a thrilling playoff with the Independents and Delta Zeta sorority. At the time of printing, the intramural basketball champ had not been determined. The Alpha Xi Delta pledges were undefeated.

W. R. A.

Women's Recreational Association has a state and a national membership. The organization serves a two-fold purpose: 1. To attain through diverse activities sportsmanship, social aspiration, and enjoyment. 2. To afford students of the university chances through sport activities to participate in varsity sports and intercollegiate play.

The W. R. A. sponsors the annual All-Sports Banquet in the Spring, handles concessions at football games, supervises intramurals, holds an annual all-campus Christmas dance, and sends players to the All-State Teams Tennis Tournament.

On February 22 and 23, W. R. A. sent Sally Flegle and Jeanne Martin as official delegates and Sondra Stryker and Sally Stoltz as unofficial delegates to the state Women's Recreational Association Convention held at Western Reserve University in Cleveland.

Mozelle Pickering is the faculty advisor to this fine group.

VARSITY VOLLEYBALL

The 1962-63 Women's Volleyball Team has succeeded in winning three of its four games played, losing only to Defiance. The tall, able front line scored time and again, thanks to good set-ups from the girls playing center and back lines.

This year's team consisted of Mary Lucas, Jeanne Martin, Sally Flegle, Gerry Meddles, Terry Nippert, Joan Kelble, Verda Miller, Pat Benso, Marilyn Walton, Bonnie Price, Gloria Sanders, Sally Stoltz, and Sondra Stryker. Points in the W. R. A. system are gained toward a letter, blazer, blanket, or bracelet for every game played.

Defiance, naturally, was the toughest game played, and Bluffton was the easiest. Next year's team will lose the valuable height and skill of this year's seniors—Mary Lucas, Sally Flegle, Gerry Meddles, Terry Nippert, and Gloria Sanders.

ALPHA XI DELTA

Alpha Xi Delta Sorority was victorious in its pursuit of the Intramural Volleyball Trophy this year. A three-way tie between Delta Zeta, Alpha Xi Delta, and the Independent team added extra color and excitement to the season.

In the play-offs, Alpha Xi came out first, Delta Zeta, second, and the Independent team placed third.

W.R.A., under the leadership of Mrs. Mozelle Pickering and Miss Ginny Cahill, provides the scheduling and refereeing for the games, which give the participants a chance to really let off steam in a sportsman-like manner.

With only two games played of the 1962-63 Women's Basketball season, Ohio Northern's team has come out losers both times. The lack of height in our players has been the main reason of these losses.

This year's team consists of Gerry Meddles, Judy Siferd, Terry Nippert, Gail Poyer, Joan Kelble, Gloria Sanders, Bonnie Price, Carolyn Banbury, Gwen Keith, Sally Flegle, Sondra Stryker, Jeanne Martin, and Clinigan Shaffer. Of these players, Meddles, Siferd, Nippert, Sanders, and Flegle will graduate from the team. Mozelle Pickering is the coach.

Bluffton and Findlay are always hard teams to beat, and with Northern's lack of height, Bluffton had a fairly easy time winning by a score of 22 to 10.

The season is young, though, and the girls on the team still have four games to make up for their losses.

ALPHA XI DELTA PLEDGES

INTRAMURAL BASKETBALL

With only one game left to be played, the Alpha Xi Delta pledges remain undefeated.

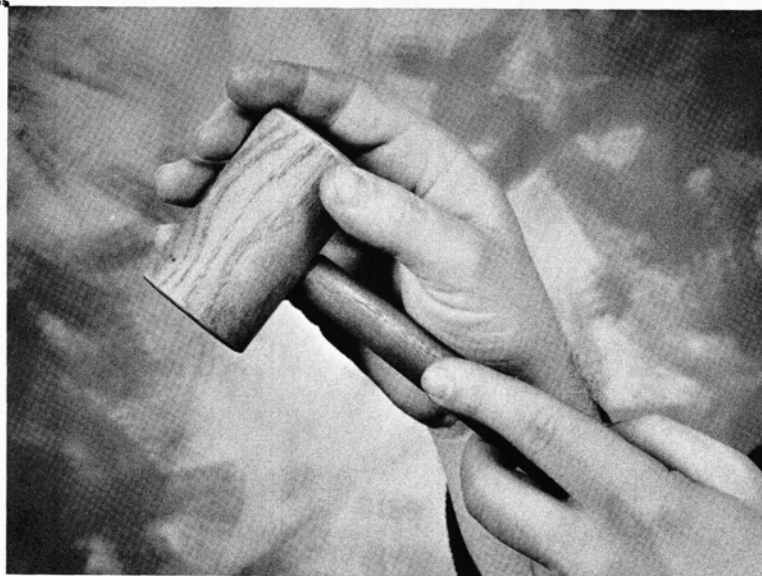

The winter sport for girls here at O.N.U., intramural basketball is sponsored by the W. R. A., and games are held every Tuesday night. Men physical education majors serve as referees under the supervision of Miss Ginny Cahill.

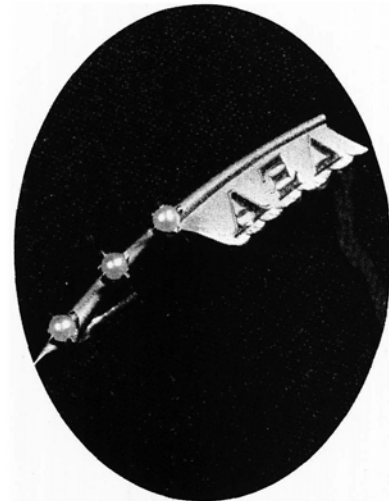

The surprise of the year was the Zeta pledge team, successfully defeating the Alpha Xi actives. This year's games were, on the whole, slightly more exciting and well played than those of the past have been.

ORGANIZATIONS

ALPHA XI DELTA

Gamma Tau Chapter of Alpha Xi Delta Sorority was established at Ohio Northern University on May 16, 1959. The goal of Alpha Xi Delta is to seek to cultivate a true spirit of friendship among its members that encourages, aids, and protects its members by all honorable means during life, and maintain in all acts the highest sense of honor and duty.

Fall quarter Alpha Xi Delta holds its annual all-campus dances and the Homecoming Alumnae Tea for all former Alpha Xi's and T. K. K.'s. This year the chapter also won the Bloodmobile Trophy with 65% of the sisters donating.

During winter quarter, the pledge dance and the "Winter Rose Formal" are held, and the sorority participates in Greek **Sing**.

Alpha Xi Deltas are active participants in the May Day celebrations and sponsor a Founders' Day Dinner and a Senior Breakfast during spring quarter.

Advisors to the Gamma Tau Chapter include Mrs. A. C. Smith, Mrs. Anthony Milnar, Miss Nancy Stroh, Mrs. Hildred Jones, and Mrs. Archie Hillery. Faculty members include Dr. Anna Koffler.

DELTA ZETA

Delta Zeta, the largest national sorority, was founded at Miami University, Oxford, Ohio, on October **24, 1902**. Zeta Kappa Chapter, established on our campus May **16, 1959**, is one of **144** chapters. Delta Zeta was the first social sorority to go national on this campus.

The goals of Delta Zeta are to create lasting bonds of friendship among its sisters, to maintain high standards socially, morally, and intellectually, and to develop the abilities of its members.

Delta Zeta participates enthusiastically in campus-wide events, student government, sports, and professional and honorary organizations. Activities for D Z this year have included Homecoming participation during which their candidate, Mary Schmuck, was elected Queen; Pushmobile Race; Parents' Day; two all-campus dances, Telstar and Kollege Kapers; Greek Sing; the pledge dance, winter formal, beachcomber dance, Campus Chest, State Day, and May Day activities.

Zeta Kappa participates in Delta Zeta National philanthropies—Carville, Gallaudet College, and support of the Navajo Indians. As its newest local philanthropy project, a Greek boy was adopted through the Foster Parents' plan.

ZETA TAU ALPHA

The Zeta Tau Alpha Sorority was founded on October **15, 1898**, at Longwood College in Farmville, Virginia. The Delta Theta Chapter at Ohio Northern University received its charter on October **9, 1959**, being the one-hundred-fifth chapter to be installed. There are now **109** chapters throughout the United States and Canada.

This year the Zetas started the school year off with a bang by having a weekend workshop at Indian Lake. At this time they made plans for their three all-campus dances, "Zeta Travelog," "Nautical Night," and "Cafe Amore." Other social functions held during the year included the pledge dance, White Violet Formal, and mother-daughter banquet.

In addition to these sorority functions, the Zetas enthusiastically participated in Homecoming and May Day activities, Greek Sing, and Campus Chest.

The sisters turned their thoughts to those less fortunate and collected clothing, money, and food for the needy on "Beggars' Night," gave to the Allen County Children's Home, and supported the Zeta Tau Alpha philanthropy-cerebral palsy.

FRATERNITY LIFE

The fraternity pledging system here at Ohio Northern was originated with the purpose of giving the new student a chance to look the fraternities over. Joining a fraternity on this campus means four years of social, athletic, and brotherhood ties.

The eight social fraternities here are Alpha Epsilon Pi, Alpha Sigma Phi, Delta Sigma Phi, Kappa Psi, Phi Kappa Theta, Phi Mu Delta, Sigma Phi Epsilon, and Sigma Pi.

The feeling that it is better for men to govern themselves than to be governed from the outside and that it is better for men to organize their own segment of society than to be organized by an over-all agency has been justified by our fraternal system.

SORORITY LIFE

When a girl joins a sorority, she becomes a member of a "chapter" which is a part of a national organization which maintains similar chapters on many other campuses. Working with other girls of the chapter gives an excellent opportunity to develop character, co-operation, leadership, and responsibility.

The three sororities on campus are Alpha Xi Delta, Delta Zeta, and Zeta Tau Alpha. During the second week of October, rushees can register with the Dean of Women. This year all the rush parties were held in the two weeks between Thanksgiving and Christmas recesses. The quota for this year's rush was seventeen girls for each sorority.

Rushing, pledging, and the initiation of members to the sororities are supervised by the Panhellenic Council.

ALPHA EPSILON PI

Alpha Epsilon Pi is now the largest of eleven national Jewish social fraternities. This fraternity was founded at New York University in **1913**, and the Kappa Chapter here at ONU was chartered in **1923**.

Every year the fraternity strives to improve on the previous year's scholastic average; however, the chapter does participate in all of the intramural sports and takes an active interest in the religious functions on campus. It holds its own religious services, including a *seder* during the Passover season which is open to all Jewish students.

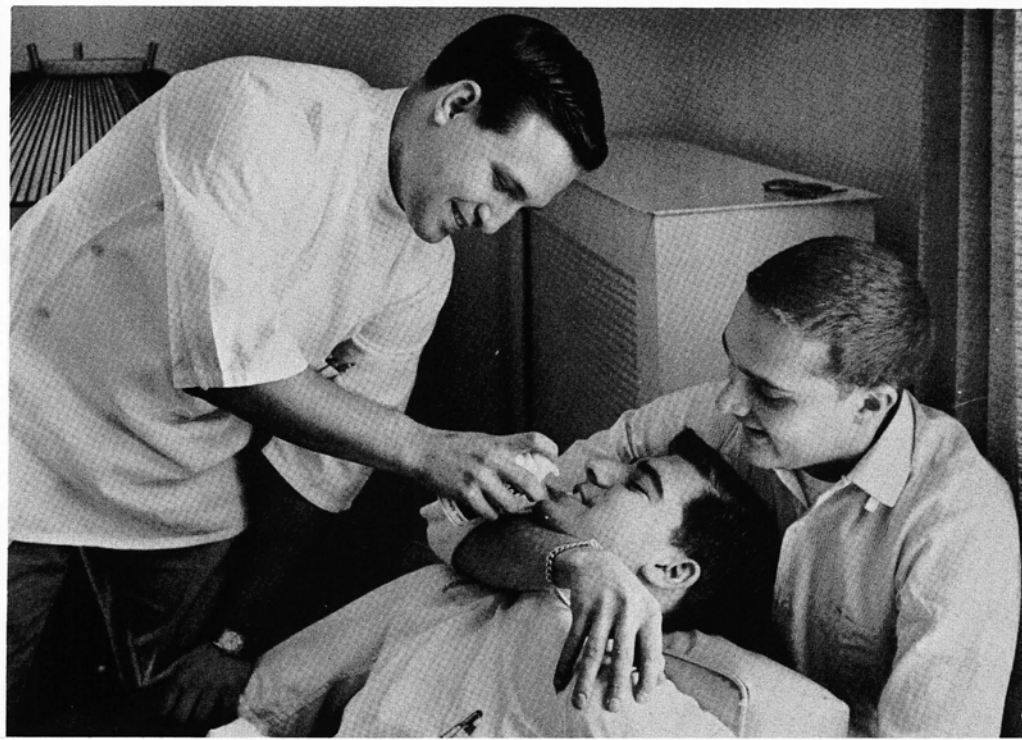

The chapter sponsors a full calendar of social affairs throughout the year. The Winter Formal, numerous house dances and parties, the honoring of alumni at Homecoming, and Parents' Day highlight the social agenda of Alpha Epsilon Pi.

ALPHA SIGMA PHI

Alpha Sigma Phi Fraternity was founded at Yale University on December 6, **1845**. At Ohio Northern, the Alpha Sigs maintain the dual distinction of being both the oldest local group and the youngest chapter, its predecessor being founded here in **1903**, and the Gamma Alpha chapter existing here since January **17, 1942**.

The tenth oldest social Greek letter society and one of the original members of the National I.F.C., the Alpha Sigs now claim **53** active chapters situated throughout the United States.

Alpha Sigma Phi and its predecessors, Alpha Kappa Pi and Theta Nu Epsilon, claim such famous local alumni as Ben Fairless, past president of U. S. Steel; President Taft; Rudolph Raabe, Dean Emeritus of Pharmacy at O.N.U.; and Thomas Smull, the "Father of Inter-Collegiate Athletics," here at Ohio Northern. The memory of this outstanding teacher, administrator, and friend was honored at Homecoming this year. Nationally famous alumni include Arthur Hemming and Vincent Price.

As always the Sigs are right in the thick of the all-sports race and are in quest of the All-Fraternity Championship trophy which has been won by the Alpha Sigs **13** out of the past **14** years. For the sixth straight year, the Pushmobile trophy has found its place in the "Red Barn."

Socially, the Alpha Sigs are quite active with the highlight of the year being the "Spring Talisman Rose Formal."

DELTA SIGMA PHI

Delta Sigma Phi Fraternity was founded at the City College of New York in 1899. In 1920 members of the Engineer's Triangle Club at Ohio Northern were initiated into Alpha Eta Chapter. There are now 98 chapters of Delta Sigma Phi in the United States and Canada.

There are 50 brothers and pledges in the chapter, at the present time. Delta Sigs are very prominent on the faculty, and they serve as chapter advisors. They are Dean Lawrence Archer, Dean of the College of Engineering; Mr. Franklin Farrington, instructor of the College of Engineering; Dr. Karl Roider, Head of the Department of Music; Dr. Robert Hilliard of the Department of History; and Mr. Gerald Messick, instructor of the Department of Physics.

The numerous social functions during the year include house dances with various themes, the Winter Formal, the Spring Formal, the pledge dance, sponsored by the pledges, and the Bowery Brawl. Banquets for Alumni at Homecoming and for seniors at graduation, and buffet dinners for the freshmen women and the three sororities are held at the chapter house each year. The Delta Sigs are also well represented in campus organizations, participating in intramural sports as well as varsity sports.

The Delta Sigs are now building a \$170,000 fraternity house on Fraternity Row on the new campus. This house will be occupied by the brothers by winter quarter of 1963.

KAPPA PSI

Kappa Psi was founded May 30, 1879, at the Russell Military Academy in New Haven, Connecticut. It is the oldest pharmaceutical fraternity in existence. Kappa Psi now has 58 chapters throughout the United States, and it is the largest pharmaceutical fraternity in the world.

The Gamma Delta chapter of Kappa Psi was founded at Ohio Northern in 1920. It is unique on this campus in that it is both a professional and a social fraternity, and only men entering the pharmacy college can become brothers. Kappa Psi takes an active part in promotion of professionalism in the College of Pharmacy.

Many social events are held throughout the year, beginning with the Harvest Dance, followed by the Christmas Dance, the Sweetheart Dance, and various other house dances. The Spring Formal terminates Spring activities. Gamma Delta of Kappa Psi is also active in intramural sports and all other competitive events, including Greek Sing and Campus Chest.

PHI KAPPA THETA

Phi Kappa Theta Fraternity is the continuation of Phi Kappa, founded at Brown University in 1889, and Theta Kappa Phi Fraternity, founded at Lehigh University in 1919. The consolidation took place on April 29, 1959, the seventieth anniversary of the fraternity. The local Ohio Zeta chapter was installed on April 9, 1925. Phi Kappa Theta is a national fraternity for Catholic men with 54 chapters and over 20,000 alumni.

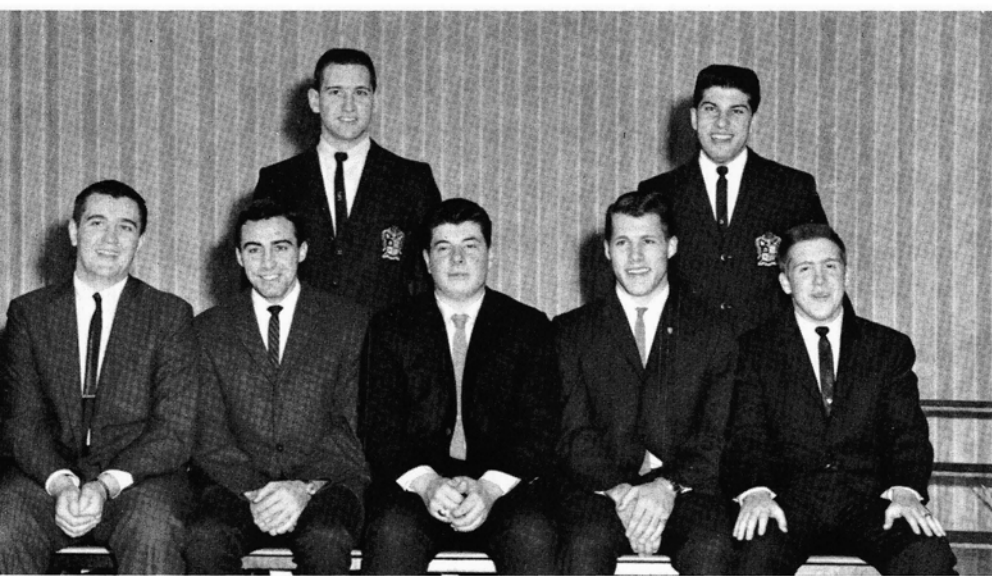

In its 35 years, Ohio Zeta has produced many noteworthy alumni. William Sonnet, president of the Ohio-Kentucky Manufacturing Company; and the late Most Rev. Michael J. Ready, Bishop of Columbus, are among them. Others are Stephen Delrosse, author of *To Conquer the Earth* and other books; Thomas Parina, Municipal Court Judge in Cleveland, and Professor Vincent Immel of the College of Law of St. Louis University. Phi Kaps have always been mainstays in intramural sports. They were All-Campus sports champions in 1960, and runners-up this past year. The fraternity was bowling champion in 1962 and also won the basketball title. At the 1962 Provence, the Phi Kaps won the bowling and attendance trophies, in addition to having the chapter sweetheart crowned Provence Ball Queen. Each year the fraternity is well represented in varsity sports.

PHI MU DELTA

Phi Mu Delta was founded as a national fraternity on March 1, 1918, at the University of New Hampshire. The local Nu Beta chapter was installed on March 15, 1926. There are presently over 6,500 active alumni members spread over the country with eleven active chapters.

Throughout the year various house dances are held which include the annual "All Campus Rock," the children's Christmas Party, and the Monte Carlo winter formal.

Phi Mu Delta is always a contender in intramural sports. The fraternity takes very active participation in all Homecoming and May Day events. The brothers are active in campus activities and hold membership in most departmental and professional organizations.

SIGMA PHI EPSILON

Sigma Phi Epsilon was founded at the University of Richmond on November 1, 1901. Ohio Northern's Ohio Alpha Chapter was founded on February 18, 1905. The chapter house on South Gilbert was built in 1915-16 by the brothers themselves and was the first fraternity house built as such in the state.

Nationally Sigma Phi Epsilon is the third largest social fraternity in number of chapters with 159 chapters and 65,000 members. On campus, Sig Ep is the largest nationally, one of the two oldest chapters, and the oldest continually active chapter.

Banquets for alumni at Homecoming, seniors at graduation, and buffet dinners for the freshmen women and the three sororities are held each year at the chapter house. Traditional dances include the Winter and Spring formals, the Hawaiian Party, as well as numerous other dances and social functions on such annual events as Halloween, Christmas, and Valentine's Day. A Roman Toga Dance, held by the pledges, has become a tradition in the past several years.

Ohio Alpha of Sigma Phi Epsilon is active in all intramural sports, gaining a share of trophies. Sig Eps participate in many campus activities and are prominent in various organizations, including Northern's varsity teams. Homecoming and May Day are always occasions of great festivity as Sig Ep competes with the other fraternities in all competitions. Last year they added six more trophies to their collection by winning the Blood Mobile trophy, the "Ugly Man" Contest, the Markle Scholarship Award for highest fraternity on campus, and the Tug of War Trophy.

SIGMA PI

Sigma Pi was founded February **26, 1897**, at Vincennes University. The sixth chapter of the national fraternity, and the third chapter to maintain a continued existence, was installed at Ohio Northern as Zeta Chapter on June **1, 1912**. Sigma Pi is the second oldest fraternity on Ohio Northern's campus.

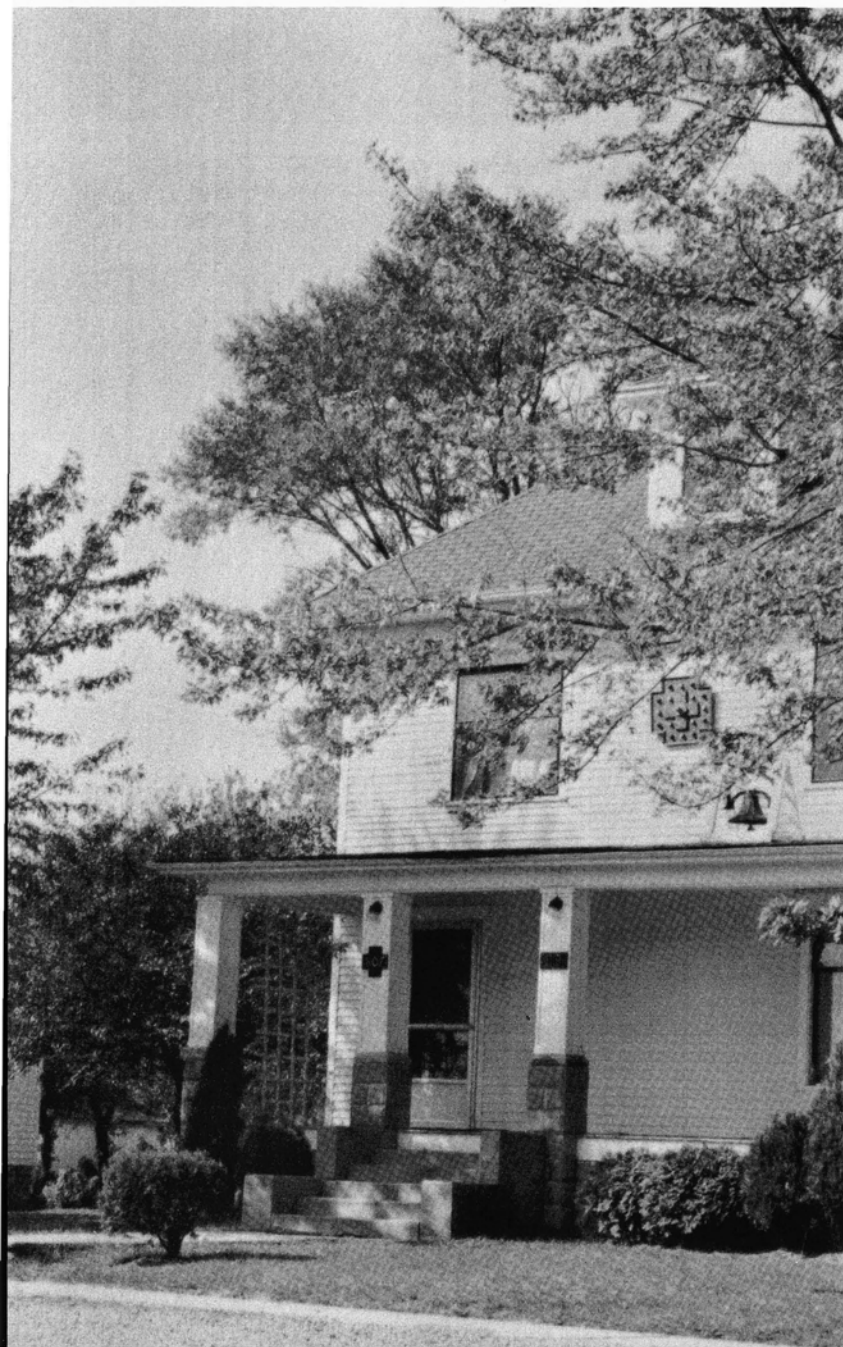

On the Northern faculty, Roger Stauffer, head of the O.N.U. branch at Celina; John Grigsby of the Music Department; and Jim Ruef, a member of the English, Speech, and Theater Department, are members of Zeta Chapter. Professor Richard Kain, Chairman of the Industrial Arts Department, and Mr. Grigsby are faculty advisors.

The social scene is always a gay one at Sigma Pi with some sort of affair being held every month. Orchid Ball Queen for **1960** was Miss Jacqueline Mayer, Miss Ohio and Miss America **1963**.

Sigma Pi annually sponsors the Male and Female All Greek Awards and the May Day Bike Race.

Sigma Pi is presently planning to build a new fraternity house on Fraternity Row at the west end of the new campus. The planned building will house **42** and will cost \$50,000. It is hoped that these plans will be completed soon and that Sigma Pi will move into its new residence in the next two years.

Last fall Sigma Pi won the Homecoming Decorations Trophy. Last summer at the Sigma Pi Fraternities' biennial convocation, the chapter won the National Convocation Attendance Trophy, an Efficiency Award, and the Grand Sage Award for the Sigma Pi chapter showing the best all-round improvement for the last two years.

The Newman Club, one of the oldest campus organizations, was established in 1915. The purpose of this organization is to give the Catholic students at Ohio Northern University an opportunity to receive instructions in their faith. Under the guidance of Father Francis X. Schweitzer, pastor of Our Lady of Lourdes parish, the club maintains a program of lectures, social activities, and participation in all intramural sports.

This organization, along with the other religious organizations on campus, helps to carry out the development of genuine Christian manhood and womanhood, one of the goals of the university.

The election of officers is generally held in April; formal installation takes place at the annual banquet in Lima. Frank Schwarb served as president during the 1962-63 school year, and Eugene Byrnes was faculty advisor.

NEWMAN CLUB

WESLEY FELLOWSHIP

Two of the earliest Protestant student religious groups to organize on this campus were the Y.M.C.A. and the Y.W.C.A. Both were established in the autumn of 1881. They carried on a number of home and foreign missionary projects as well as cultivating the devotional life of their members. These two groups carried on much of the work among Protestants at O.N.U. for 63 years.

In 1944 the Y.W.C.A. and Y.M.C.A. programs were combined and named the Student Christian Association. This co-ed group met bi-weekly and carried on most of the work formerly done by the YW and YM Associations. The SCA organization was abandoned in 1950 because of the duplication of programs carried on by the local Methodist Church. The Wesley Fellowship has carried the program for Methodist students since 1950.

Presently Wesley Fellowship consists of a group of students and faculty who desire to grow in their Christian understanding, insights, and experiences while

participating in the life of the academic community. The work of the Fellowship is a vital link in the Methodist Student Movement of the Methodist Church throughout the world. Although sponsored by the Methodist Church, the program is open to anyone who wishes to share in its programs.

Among the various programs presented this year were the Annual Orientation Banquet, the Fall Retreat at Camp Wesley, the Christmas Candlelight Communion Service, and the Lenten Movie at the Ada Theater. The Fellowship also has special guest speakers at their meetings throughout the year.

The officers this year are: President, Charles R. Ailer; Vice-presidents, William Overmier and Connie Hill; Secretary, Susan Strole; Treasurer, L. Kay Coats; Worship, Judy Black; Membership, Sue Williams; Literature, Joyce Bacon. The Rev. A. Richard Teller, Pastor of the First Methodist Church, is the director of the group, and Edward D. Garrity, Acting Director of Religion, is advisor.

Founded to promote understanding in the field of foreign affairs, the International Club is open to all students of Ohio Northern University. Professor Abele, who is the faculty advisor to the group, stresses the fact that the club is open to all students, not just those who are from other countries.

The members of the group are often invited to speak on their native countries at church groups and clubs in the area.

This year's officers were Omar Dajani, President; Vaso Grymanis, Vice-president; Ruth Gant, Recording Secretary; R. Swarup Jindal, Treasurer.

INTERNATIONAL CLUB

KNOX CLUB

The Knox Club is a co-educational group founded at the Ada Presbyterian Church to meet the needs of the college age group.

The club was named by the students after the protestant pioneer and founder of the Presbyterian Church, John Knox.

This group sponsors special activities for incoming freshmen and gives its students an outlet for their religious discussions.

The Knox Club membership is open to co-eds, student nurses, students, and young adults from the community.

CANTERBURY CLUB

The Canterbury Club is the Episcopal co-educational group of students on the Ohio Northern University campus.

Founded at the Ada Episcopal Church, the club is a very vital part in the religious life of all those who attend. The group meets weekly and is open to all students.

The discussions each week are on a variety of current topics and are conducted as informal discussions. A devotion period is also a part of the weekly meetings and is planned by members of the club.

Meeting bi-monthly to debate interrogatories presented by the judicial committee, Les Advocates is an organization of law students dedicated to increase and perfect their forensic skills.

The Lincoln Chapter of Les Advocates was founded at Ohio Northern in 1911 and is one of 47 chapters spread throughout the United States and Canada.

Scholarship, character, personality, and promise of future professional ability are pre-requisites for membership. The objectives of this organization are to recognize men of outstanding ability in intercollegiate debating and high scholarship, and, through this select recognition, to encourage others to gain training and experience in public speaking.

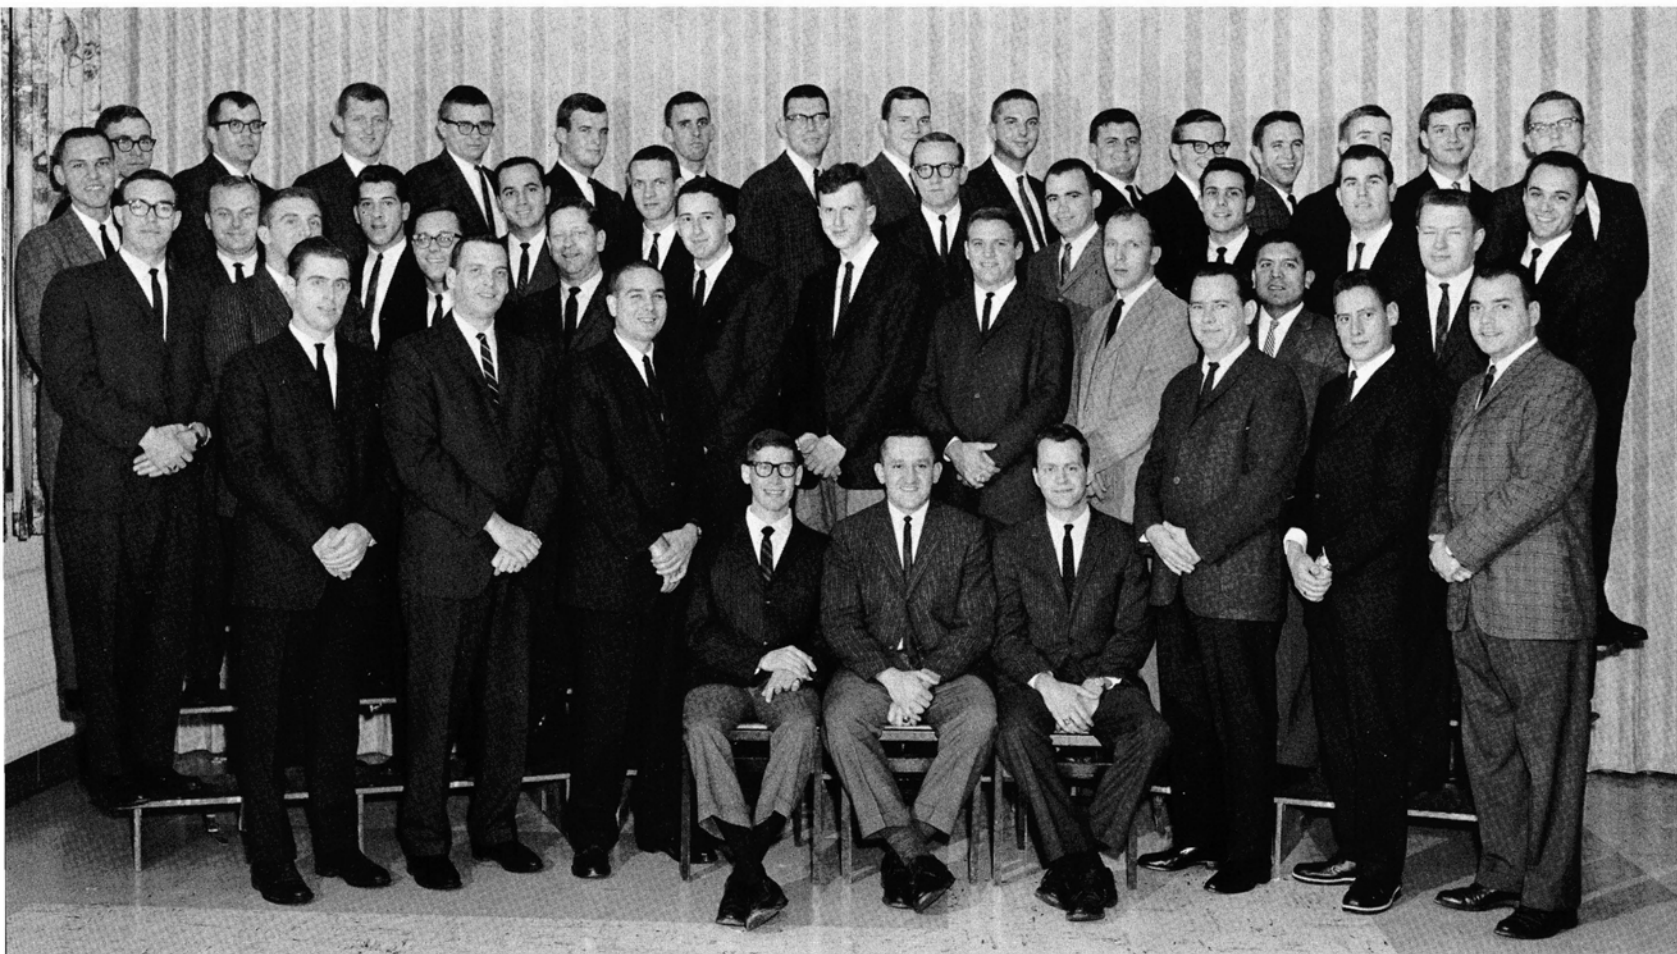

The popularity of Les Advocates, and interest therein, increased with the retiring of the Cardozo Trophies and the Huron Head Trophy in 1961, the highest awards given in the field of legal debate.

JUNIOR BAR ASSOCIATION

Every student of the College of Law belongs to the Junior Bar Association. The objectives of this organization are to provide training and advancement, to serve as a forum for discussion of existing problems, to promote harmony and understanding among the faculty, students, and alumni, and to develop and further scholastic attainment.

Organized on this campus in 1933, this professional organization has been a member of the American Law Students since 1953, and has served to further the professional training of its members.

The Barristers' Ball, held during winter quarter, and the Law Day Banquet, held in the spring, provide a social outlet for the J. B. A.

PHI ALPHA DELTA

The local chapter of Phi Alpha Delta came into being on Northern's campus in 1960 when the former Sigma Delta Kappa members formed their new group.

Active in furthering both high scholastic standards and social relations among its members, the prime purpose of the organization is to prepare its members for their chosen profession, to broaden the horizons of that profession, and to promote the elements co-operation, responsibility, and good fellowship, never forgetting that the practice of Law is based on the adversary system.

DELTA THETA PHI

During a 53-year period, the Marshall Senate of Delta Theta Phi has devoted itself to a high degree of scholastic and social activity.

Being well represented on Student Council and other governing bodies on campus, the Delta Thetas are also very active in social functions. Various socials, rush parties, and a party given for prospective pledges and their wives serve to round out the social-academic life of members of Delta Theta Phi at ONU.

PHI DELTA CHI

To advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members is the prime purpose of Phi Delta Chi.

The Phi Delta Chi Fraternity, the second largest national pharmacy fraternity, was founded at the University of Michigan in 1883 and now has forty-three active chapters and twenty-four alumni chapters. The Alpha Upsilon chapter was recognized at the Ohio Northern University campus on March 2, 1955. In the fall of 1961, the local chapter moved into its first house, located at 707 South Main Street.

In addition to providing a home and fellowship for its members, the fraternity has been very active professionally on the campus by sponsoring movies related to pharmacy each week, sponsoring speakers on occasions, maintaining professional displays in the pharmacy building, giving assistance to the university health program, and disseminating literature concerning public health issues.

The Psi chapter of Kappa Epsilon National Fraternity for women of pharmacy was founded at Ohio Northern University on December 4, 1957. Presently the chapter boasts a membership of 28.

Nationally, Kappa Epsilon was founded at the State University of Iowa, with representatives from the Universities of Minnesota and Nebraska on May 13, 1921. There are now 30 collegiate chapters and 11 alumnae chapters.

The primary purpose of this professional fraternity is to bind together the women students of pharmacy and to further the ethics of the pharmacy profession.

Much of the success of the Psi chapter can be accorded to the efforts and concern of the former Dean of the Pharmacy College, Dr. A. C. Smith.

Kappa Epsilon is a sister organization of Kappa Psi Pharmaceutical Fraternity for men.

ALPHA ZETA OMEGA

The Alpha Zeta Omega Fraternity was founded at the Philadelphia College of Pharmacy on December 19, 1919. The fraternity now consists of 26 chapters. In 1954 the Theta Alpha Chapter was founded on the Ohio Northern University campus.

The main purpose of the group is to present professional programs throughout the year. These meetings are open to faculty and students of the University.

RHO CHI

The Beta Psi Chapter of the Rho Chi Pharmacy Honor Society was installed at Ohio Northern University on May 11, 1962. The Installation Banquet was held at the University Union. Fifteen charter members and eight regular members were initiated at that time.

The objective of Rho Chi has always been to promote the advancement of the pharmaceutical sciences through the encouragement and recognition of intellectual scholarship.

Active membership requirements for undergraduate students include being in the highest 20 per cent of their class, having attained a scholastic average of at least 3.0 and having completed 70 per cent or the equivalent of not less than 158 term hours of scholastic work applicable toward a B.S. in Pharmacy at Ohio Northern University under the five-year program.

The A. Ph. A. had its beginning at Ohio Northern University in 1949. On September 7, 1962, the chapter became affiliated with the Ohio State Pharmaceutical Association and is now known as the A. Ph. A.-O. S. P. A. student branch.

The chapter offers membership to all pharmacy and pre-pharmacy students in hopes that by being members they will receive knowledge in practical and professional aspects of their chosen profession. Our chapter now boasts a membership of ninety students, and new applicants are always coming in.

Monthly movies featuring distinguished speakers from various pharmacy school faculties, industry, hospital, and retail pharmacies help to fulfill objectives. The A. Ph. A.-O. S. P. A. publishes the "Ampul," participates in all national and regional activities of the A. Ph. A., and sponsors the annual student pharmacy banquet at which a faculty member is honored.

AMERICAN PHARMACEUTICAL ASSOCIATION

The Ohio Northern Engineers' Speakers' Association has been an active organization since the spring of 1935.

The belief that a good manner of speaking can be accomplished by practice is shared by the members. By delivering both prepared and extemporaneous speeches, the members learn to present their ideas to an audience. A critical analysis by the other members enables the speaker to correct any errors and improve his delivery. The final goal of the organization is to prepare the members for any speaking situation that may arise and allow the future engineer to communicate fluently with his fellow members in society.

This emphasis illuminates the fact that the ability to adequately convey ideas and express oneself are as vital to the engineer as his slide rule and math tables.

O. S. P. E.

Embracing all departments of the College of Engineering, the purpose of the student chapter of the Ohio Society of Professional Engineers is to stimulate professional thinking among all engineering students. The society obtains this through social contacts, fellowship, and co-operation. To promote interest and understanding and to maintain the ideals of the engineering profession are also aims of the society.

Speakers, movies, and discussions in the monthly meetings deal with the professional standards, codes of ethics, and the individual's place in the advancement of the profession.

The purpose of the Ohio Northern Student Chapter of the American Society of Mechanical Engineers is to create a professional awareness and fellowship among engineering students. The Society also provides an insight into the type of problems that may be encountered in actual practice. In the meetings, held each month, technical reports by guest speakers from industry are presented in order to supplement the material offered in the regular curriculum. The members also participate in industrial inspection trips, attend meetings of the Toledo Section of the American Society of Mechanical Engineers, share in the National Engineers' Week, and present technical reports at the annual regional conference of the American Society of Mechanical Engineers.

The society was founded in 1922 and has been active on campus since.

The oldest branch of national technical societies on campus, the student branch of the American Institute of Electrical Engineers was founded at Ohio Northern in 1912. It stood alone until in 1957 it joined with the I.R.E., a national organization of radio engineers to form a joint A.I.E.E.-I.R.E. student branch.

Advancing the theory and practice of electrical engineering is the object of the societies. The societies also practice the maintenance of a professional standing among its members. Meeting once a month, the members discuss problems relating to their fields of endeavor.

Providing the student members with an opportunity to become familiar with the Civil Engineering profession and practices is the aim of the Ohio Northern Student Chapter of the American Society of Civil Engineers. The organization also provides an opportunity for all the members to become acquainted, promotes a spirit of congeniality, and it provides topics of interest to civil engineering students.

Guest speakers are invited to the meetings to talk on subjects with a direct bearing on topics of concern to the civil engineering student.

The activities include Engineers' Week, field trips, and participation in the North Central Conference of A. S. C. E. student chapters at the University of Dayton.

Kappa Delta Pi, the honor society in the field of education here at Northern, was established as Iota Kappa Chapter on May 20, 1960.

The purpose of this organization is to encourage high professional, intellectual, and personal standards and to recognize outstanding contributions to education.

As all other professional honorary organizations here on campus, Kappa Delta Pi strives to uphold the aims of the University and to elevate the viewpoint of other students toward their organization.

Students in the Division of Teacher Education who are juniors or seniors ranking in the upper quintile and exhibiting commendable personal qualities, educational ideals, and sound scholarship are invited to become members.

The Society endeavors to maintain a high degree of professional fellowship among its members and to quicken professional growth by honoring achievement in professional work.

The Music Education National Conference has the duties of supervising Choral Cabaret and numerous student festivals in the high schools of the surrounding area. By belonging to the choir, the stage band, and marching band, and by serving as student soloists and accompanists for campus organizations the individual members exemplify their versatility in the musical capacity. They also direct dance bands off campus, church choirs in Lima and the surrounding area, and serve as church organists.

This group is under the advisorship of Dr. Karl Roeder and Dr. Thomas Matthews. The organization strives to recognize those in the field of music, for both individual and professional purposes.

AMERICAN CHEMICAL SOCIETY

Since its formation in 1876, the American Chemical Society has increased steadily in size, prestige, and value to its members and to the public. In order that undergraduate students interested in chemistry or chemical engineering might gain some insight into the professional side of their chosen careers, the society in 1937 authorized student affiliates. The local chapter of the Student Affiliates of the American Chemical Society at Ohio Northern was founded in 1947. Any undergraduate enrolled in a course leading to a degree in chemistry or chemical engineering is eligible. Members have an opportunity to hear speakers discuss topics in their field, and the chapter also sponsors field trips throughout the year to points of interest. **An** annual open house is held in the Chemistry Department with the Student Affiliates demonstrating various aspects of chemistry as well as original work of their own.

PHI BETA LAMBDA

Phi Beta Lambda is a national professional organization for students of Business Administration and Business Education. The organization has enjoyed a tremendous growth in the last year. (The group was previously known on campus as Future Business Leaders of America.)

The primary objective of the organization is to correlate business theory learned in the classroom with actual procedures used in business. This is accomplished by inviting an influential business man of the district to speak to the group at each monthly meeting. A number of field trips are made to industries throughout the year. The organization also provides for social meetings for the members to become better acquainted with one another and with businessmen. Mrs. Ritz is faculty advisor to the group.

Organized in 1948, the purpose of the Industrial Arts Club is the promotion of a wide exchange of ideas and opinions and the chance to hear outside speakers. The club is open to all students majoring in the field of Industrial Arts Education and those who plan to enter industrial supervision.

Meeting each month, the club serves to unite the industrial arts students and the professors. Toward the end of the academic school year the club takes an excursion to an industrial center and tours various large manufacturing concerns where fabrication and mass production processes of products are observed.

S. E. A.

The Student Education Association, better known as S. E. A., is the basic unit of professional organization for college or university students preparing to teach. By helping the prospective teacher become acquainted with professional journals and preparing the student to actively participate in the teaching profession, while obtaining some specific suggestions concerning how to deal with problems related to classroom experience, S. E. A. is a vital part of the education students' training for the positions they will fill after graduation.

The student correlative of the National Education Association, members of S. E. A. enjoy the privilege of receiving the monthly editions of the *NEA Journal* which supply them with valuable information on the teaching field at all levels.

The John Davidson Chapter of S. E. A. was founded at ONU on November 17, 1941.

PHI ALPHA

This year is the first full year of activities for the newly organized Ohio Northern Social Welfare Club under the leadership of Professor Robert Crider and the association of Dr. David Markle, head of the Sociology Department here. The primary purpose of the club is to develop among its members a better understanding of Social Welfare and its job in contemporary American society. Phi Alpha, recently initiated on this campus last year, is the honorary society associated with the Welfare Club.

MU ALPHA THETA

Mu Alpha Theta, a local mathematics club, is a non-secret organization whose purpose is the promotion of mathematical interest and scholarship among the students, alumni and friends of Ohio Northern University. The club was founded during the past school year, 1962-1963. Its membership is open to anyone in the college community.

During the past year, the club has sponsored lectures by prominent mathematicians in the Ohio area. A field trip was taken to view the Ohio Oil Company's computing facilities in Findlay. The organization has also sponsored a column of mathematical puzzles and curiosities in the *Northern Review*.

The officers of the group include Bruce McLean, *President*; Bob Hinebaugh, *Vice-president*; Ernie Stall, *Secretary*; and Jack Fulton, *Treasurer*.

BIOLOGY CLUB

Ohio Northern University's Biology Club was founded in March, 1937 to create and promote a keener interest in and a better understanding of the biological sciences. Recently re-established as an organization on campus, the club presents to the interested student the opportunity to become better acquainted with the physical and chemical nature of the living things around him. The club is open to all those who enjoy biology and would like to go beyond the normal classroom study of the science.

For mutual benefits toward the University, the Physical Education Club manages the concession stands during athletic contests and undertakes projects of interest to its constituents.

This organization was formed on Ohio Northern's campus in 1956.

As its objectives, the club endeavors to co-operate with the Physical Education Department in promoting interests in the field and giving the students "out-of-classroom" education and experience.

The members of the faculty of the Physical Education Department serve as advisors to the organization.

The Greek Chorus is a newly organized musical group under the direction of Mr. Grigsby. Each fraternity on campus is represented, and any Greek member who so wishes may sing with the group.

The Chorus made its debut here on campus by performing at Greek Sing. Off-campus performances, a spring concert, and entertainment for the Tri-College Dinner served to fill out the program of the Greek Chorus in its first year.

BAND

This year the ONU marching band performed at all the home football games and at one away game, Wilmington. The band is under the direction of Mr. John Anderson and his assistant director, Mr. Richard Lasako.

The concert band participated in the annual Tri-College Concert held at Bluffton. This concert was held in February in conjunction with the music departments of Findlay and Bluffton Colleges. In May the band presented a Spring Concert and marched in the May Day Parade.

CHOIR

The Ohio Northern Chorus-Choir, under the able direction of Dr. Karl Roider, maintains a full schedule of practices, concerts in this area, school functions, and weekly chapels.

One of two major annual events is the Choral Cabaret, a Christmas program and dance presented in December. This year's theme was "Kaleidoscope," which was well received but hindered by a snow storm which Ada experienced at the time. The other major event, the Spring tour, saw the choir winging its way to concerts on the West Coast.

All those in the choir share the work, fun, and satisfaction which singing for others brings to them.

The Northern is the annual yearbook published by the students of the University and containing a record of student activities for the year. A new feature of this year's book is that we have changed from September delivery to May delivery.

The Northern has existed here at ONU for 53 years. Each succeeding editor has tried to make his book just a little better than the preceding books. A variety of interests, creative ideas, and artistic judgment makes each book quite different from the one before, no matter how much the editor admires and refers to a previous book.

In the case of the *1963 Northern*, one can find the main change in the class section, the students being classified in their colleges along with their class rank. Among minor changes you can find a slight change in layout and copy, although the same things have been said in different manners year after year.

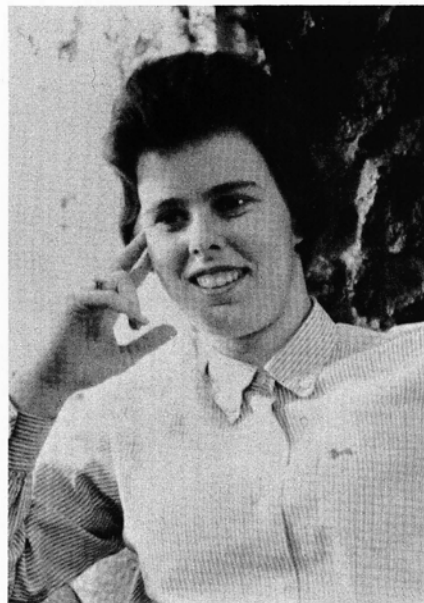

The class editors and section editors of this year's annual deserve a special thanks for doing their tedious jobs and helping us meet deadlines. Mr. G. E. Belch, the advisor, has "advised" in every sense of the word whenever there was any questions about pictures, copy, or layout at any time.

The staff of this publication has put forth a tremendous effort to present a satisfactory yearbook for **1963**. The student body will consider it as a picture album full of wonderful memories; the University will view it as a valuable public relations' publication and an unsurpassable record of the progress of their school; the publisher and photographer will recognize it as a challenge and their greatest advertisement; the advisor will sigh with relief that another deadline has been met and one more hurdle is surpassed; but the staff will realize the hours, weeks, and months of seemingly "never-ending" worry and confusion to produce this book.

NORTHERN REVIEW

The 1962 *Northern Review* was edited by Carol Young with Don Keller as assistant editor and Jim Wolfe as business manager.

The *Review* originated on September 21, 1915, with its main objective being to give ONU a genuine college paper, written by students, and devoted to the best interests of the school.

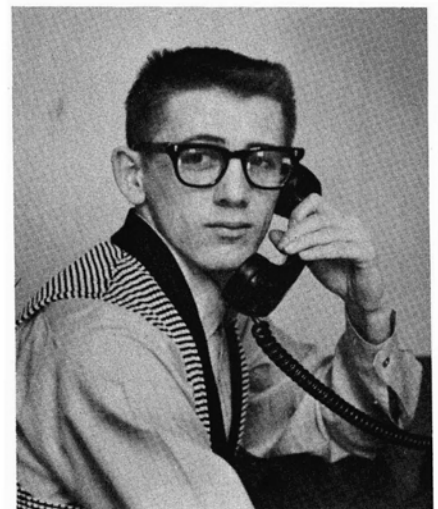

Being a powerful instrument in expressing public opinion, this newspaper provides an opportunity to practice journalistic abilities and to voice the feelings of the student body and administration. By feeling both sides of controversial questions and allowing the personal opinion of the editor and of individual students to be expressed, the *Northern Review* presents an accurate representation of campus events as they occur.

The staff works in close correlation with the journalism class to put out the newspaper bi-monthly. Funds from the Student Activity Fee provide the financial backing for the paper, and the Ada Herald prints it.

Under the guidance of Mr. G. E. Belch, the *Northern Review* strives to uphold the policies of the University but still holds complete freedom which has no censoring board other than the staff and its advisor.

POLARIS

Polaris began its oscillating history on May 28, 1957, according to the head-sheet of the first issue. In an editorial of that issue the first editor, Gerry Guthrie, listed the objectives and hopes of the magazines as follows: 1) to provide a needed outlet for creative talents of the University; 2) to create on the part of the readers an appreciation of literature, as a contribution to culture; 3) to be a symbol of the literary advancement of this university, with the hope that it will bring it honor.

From its inception with a small edition containing the hope of creating an institution, Polaris has grown significantly in size, quality, and even outlook. Pat Whitman, editor of the third volume, expressed the maturation of the outlook of the magazine in an editorial of the Spring 1958 Edition: "We wish to make it

clear . . . that we do not resent criticism, with the exception of the sort that is directed at us for publishing articles which express opinions contrary to those of the majority . . . Even if you don't agree with what is said, we are sure you will agree that a person with something to say is entitled to say it."

As time and the University accumulated and recorded experiences, so did Polaris as it continued to grow, always attempting to become a more significant part of the University. As the editorship revolved on different persons, so the conception of what Polaris was and what it would be constantly underwent revision and, optimistically, refinement. Though the literary magazine of Ohio Northern has undergone many changes, its aim is still to present an outlet for creative thinking and to examine culture and its constituent contributions.

Polaris in the future, as it has in the past, will represent the intellectual attainments and interest of Ohio Northern University.

The AMPUL is a quarterly journal issued by the American Pharmaceutical Association from the College of Pharmacy. The AMPUL has been published since spring quarter, 1952. The purpose of this periodical is to inform the alumni of new changing events in the College of Pharmacy; and to keep in contact with the past graduates. The journal is distributed to all alumni of the College of Pharmacy and all students. Each AMPUL staff strives to publish a journal that will strike the interest of all those concerned to Pharmacy.

THE AMPUL

THE WRIT

To keep Ohio Northern's law graduates in contact with the law school and their fellow graduates is the primary purpose of THE WRIT. Reporting on the activities of all law school organizations and on the official functions of the law school, THE WRIT has an efficient working knowledge of past graduates of Ohio Northern University's Law School. The WRIT is sent to all other law schools in the United States.

The paper is published quarterly by the Ohio Northern University Junior **Bar** Association. Its first publication was during the 1957-58 school year, and it has been published every quarter since that time.

NORTHERN PLAYERS

The unusual group on Ohio Northern University's campus is that of the Northern Players. The members of this group come not only from the Theatre Department, but from all of the four colleges. Future teachers, lawyers, engineers, and pharmacists are all members of the Northern Players. In this group these students find a release for that little bit of theatre which is in everyone, whether it be in the form of acting, building, lighting, or publicity.

Theta Alpha Phi is connected with the Northern Players in presenting major productions. It is also the sponsor of entertainment for local clubs and organizations. The productions this year were *Majority of One*, *Rumpelstiltskin*, *Hamlet*, *Miracle Worker*, and *Under Milk Wood*. Besides these productions on campus, the groups assisted in the production of a religious festival in Kenton and also in *Street Scene* at Lima.

Membership to Theta Alpha Phi is based on the point system: a person must earn these points by participating in major productions.

Students interested in the theatre in any way can gain knowledge and exchange ideas by attending the meetings of either of these two groups.

Alpha Phi Gamma was founded at Ohio Northern University as a co-educational honorary journalistic fraternity. Since that time, it has grown to include 42 chapters in 16 states. The fraternity recognizes individual achievement and ability in journalism and promotes the University through this field of endeavor.

Each year Alpha Phi Gamma sponsors the Miss Northern Dance, at which the yearbook queen is announced.

The fraternity was founded particularly for colleges which did not include separate journalism schools. In this respect, it fills an important position on the campus of Ohio Northern University.

Two couples enjoy the Miss Northern Dance, sponsored by Alpha Phi Gamma.

Twenty-two Ohio Northern University seniors were nominated for recognition in the **1962-63** listing of *Who's Who in American Colleges and Universities*.

The enrollment of the university made it possible to have 17 included from the Liberal Arts College, four from Engineering, three from Pharmacy, and one from Law. Nominations by the college deans were based on point averages and participation in extra-curricular activities.

Students nominated for the honor were Pat Gose, Gloria Sanders, Judy Siferd, Gary Pummell, Robert Hinebaugh, Sarah Burgess, Melvin Rode, Francis Downhower, Roger Fischbach, John Elliott, Elinor Emery, Richard Seiter, Esther Matz, Georgana Neel, Joyce Mossman, Charles Holcombe, Steven Szabo, Connie Kelner, Hunter Russell, Richard Miller, Nancy Richey, and Ed Garrity.

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

In 1915 Nu Theta Kappa, the honorary engineering association, was organized at Ohio Northern University. Since this inception, the organization has endeavored to confer distinction upon students who have maintained a high scholastic standing and to furnish incentive for a higher degree of scholarship, culture, and character.

The fraternity emphasizes that distinctive scholarship is not the sole criterion though a requirement of being in the upper 12% of the junior class or the upper **20%** of the senior class is a pre-requisite for membership. The wholehearted effort of freely giving his best to his school and community and the demonstration of interest not only in himself but also in the welfare of his associates, his organization, and his community combine to make the student eligible to become a candidate for this honorary fraternity.

KAPPA KAPPA PSI

Founded at the University of Oklahoma in 1919, Kappa Kappa Psi is a national honorary band fraternity.

In order to promote and improve the quality and performance standards of band music, the Sigma chapter was founded at Ohio Northern in 1923. The chapter was started by members of instrumental groups on campus.

Though few in number, the brothers of the local chapter are helping the band director with administrative details, thus permitting him to concern himself chiefly with musical problems.

The Modernette is Ohio Northern's experimental group, offering training and experience for those interested in Stage Band work.

The members are encouraged and aided in doing their own arranging and scoring, thereby offering another avenue of approach to free composition.

Appearances for campus events such as Choral Cabaret, plus many off-campus programs, add to the practical value of the organization and make it one of the most popular musical experience activities on campus.

A. W. S.

Open to all women students on Ohio Northern University's campus, the Association of Women Students promotes the spirit of unity and fellowship among the women students. Each class elects women to represent them on the board of A. W. S. These students plan the activities of the group.

In the past, the A. W. S. Board has provided magazines for the dorms and also vacuum sweepers and cleaning utensils for each floor of the dormitories.

PANHELLENIC COUNCIL

The Panhellenic Council is the governing body of the three social sororities on this campus. The Council is composed of two chapter delegates from each sorority, the advisor of each group, and the Dean of Women.

Panhellenic attempts to bind the sororities together by serving as a discussion forum for problems pertinent to Greek women. It sets up the rules and supervises the rushing, pledging, and initiation for the sororities.

Panhellenic fulfills an important function by working with IFC, Student Council, and the University in campus activities such as Homecoming campaign, pushmobile, Greek sing, Greek weekend, Campus Chest, the May Day campaigns, Sig-Olympics, and float competition.

Each of the eight fraternities on the Ohio Northern University campus has two representatives on the Interfraternity Council. The council is the governing body for these fraternities.

The Interfraternity Council also participates in organizing fraternity social activities. Among these activities are Greek Sing, Greek Weekend, and the Interfraternity Council Ball.

The main intention of IFC is to promote good interfraternal relations among the fraternities. Rushing, pledging, and help week are all under the direct control of the Council. The Council also participates in Homecoming and May Day activities.

The Religious Council has as its main objective the co-ordination of the religious life of the campus. The council is a vital link between the administration of the university and the student body, and shares in the formation of the plans for each academic year's religious program.

The main project of the Religious Council is the annual Religion-In-Life-Week program. Each year the council brings to the campus a prominent personality in the field of religion, who serves as the main speaker for the week's program. This year's program was held from October **21-25**. The theme was "Faith and the Risk of Courage." The main speaker was Dr. Lee C. Moorehead, professor of Preaching and Worship at Saint Paul's School of Theology, Methodist, in Kansas City, Kansas.

Father Nicholas Roling, Dean and Rector of Our Lady of Carey Seminary-College, represented the Roman Catholic Church. Rabbis Morton Applebaum of Akron and Stanley Brav of Cincinnati represented the

Jewish Faith through the co-operation of the Jewish Chatauqua Society. Also participating were a number of area clergymen and representatives from Bluffton College, Findlay College, and Winebrenner Seminary.

The activity of the Religious Council is on a yearly basis. Plans are formulated throughout the year for the various religious activities on the campus. During the **1962-63** academic year, there were seven religious organizations active on campus. These included the Wesley Fellowship, Newman Club, Westminster Fellowship, Canterbury Fellowship, Upper Room Fellowship, Lutheran Students of America Association, and the Faculty Christian Fellowship.

The Religious Council is composed of the student chaplains of the fraternities and sororities, the student chaplains of the dormitories, the staff of the Director of Religion's office, members of the faculty and administration, and representatives of the religious organizations.

The Student Activity Council guides all student organizations. This council is made up of seven students and seven faculty members and is organized by the Dean of Students, who also acts as chairman.

The allocation of funds in support of student activities is the largest responsibility of S. A. C., but it also creates and sanctions all basic student activity procedures, rules, organizations, etc. It establishes policies and supervises and regulates student activities on campus. Among these activities are publications, intramurals, orientation week, Campus Chest, student parking, discipline, housing, health and welfare, and the social calendar.

STUDENT ACTIVITY COUNCIL

Row 1: A. Jackson, C. Henne, Dean Miller. Row 2: B. Anglin, R. Van Hoff, K. Hutchinson.

BOARD OF GOVERNORS

The legislative group of the Student Council is known as the Board of Governors. This group is selected by the Student Council, the Treasurer of the university, the Dean of Men, and the Dean of Women.

This Board controls and distributes the Student Union fee paid by the student body and sets up the rules for the Student Center. It also acts as a judicial body to impose penalties upon groups and organizations who misuse any of the facilities of the Center.

This year the Board set up a program of recent movies for weekend nights at the cost of 25¢ per person. The purpose for this was to provide entertainment for those students who remain on campus during the weekends.

DEBATE TEAM

As one of the newest extracurricular activities on campus, the Debate Team is open to any student in any field of concentration. The Ohio Northern University team is a member of the American Forensic Association and participates in verbal combat with colleges and universities in Ohio and its surrounding states. The team traveled to Berea, Kentucky this past year. The 1962-63 debate topic was: "Resolved: that the non-communistic nations of the world should work toward establishing an economic community."

Row 1: L. Coats, Mrs. Spellman, Advisor, C. Hill. Row 2: P. Swain, L. Keller.

The Student Council at Ohio Northern is the primary group of student government. Its purpose is "... to promote fellowship and scholarship; to work cooperatively with the faculty, administration, and Board of Trustees for the betterment of the University; and to create a united campus spirit for the social, educational, and spiritual advancement of all ..."

The responsibilities of the Student Council require much of the time and effort of the Council members. The Council is responsible for the appointment of members to the Board of Governors, Adelpian Society, and "Who's Who in American Colleges and Universities." It also plans and supervises, with the advice of the Dean of Students, Freshman Week, May Day festivities, and Homecoming Day each year.

OHIO NORTHERN UNIVERSITY

Founded 1871

ADA. OHIO

February 20, 1963

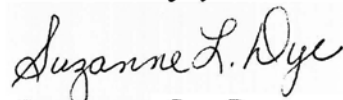

Dear Students,

It is with great pleasure that we present the 1963 "Northern" to you. We hope that you have enjoyed it as you leafed through its pages for the first time. However, we hope that in the ensuing years as you consult it that it will become more valuable and more enjoyable as you recall the events of this college year.

As editor, I can only express my deepest appreciation to my entire staff for their faithful service. Barbara McElhaney, my assistant editor, without whom this book would not have been possible in my estimation, deserves much praise. It gives one much satisfaction to be able to work so closely and effectively with a person such as Barbara. To Mr. James Busch, Busch Studios, Marion, Ohio, our superior photographer, I can only say "Thank you." His talent speaks for the rest. The advisor Mr. G. E. Belch was an invaluable aid and morale booster and deserves special thanks. Joel Lefkowitz, so to speak, "saved the day" with a few needed photographs at the last minute. To him, also, I wish to express my appreciation.

No book of this type passes through the hands of its reader without some criticism either good or bad. It is the wish of the staff and myself that you will find this book worthy of the people and the university which it represents.

Sincerely,

Suzanne L. Dye
Editor
